TOWN CLERK'S REPORT

WARRANT FOR ANNUAL TOWN MEETING

MONDAY, MARCH 2, 1959

To either of the Constables of the Town of Stoneham in the County of Middlesex, **GREETING:**

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

Monday, March 2, 1959

at six o'clock in the forenoon to act on the following articles of this warrant:

ARTICLE. 1. To choose the following officers:

One (1) Moderator for one (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

One (1) Member of the School committee for three (3) years

Two (2) Trustees of the Public Library for three (3) years

One (1) Member of the Board of Public Welfare for three

(3) years

One (1) Member of the Board of Health for three (3) years

One (1) Member of the Planning Board for five (5) years

One (1) Member of the Planning Board for four (4) years

One (1) Member of the Board of Public Works for three

(3) years

One (1) Constable for one (1) year

One (1) Constable for three (3) years

One (1) Member of the Stoneham Housing Authority for five (5) years

One (1) Member of the Stoneham Housing Authority for three (3) years

One (1) Member of the Stoneham Redevelopment Authority for five (5) years.

One (1) Member of the Stoneham Redevelopment Authority for four (4) years

One (1) Member of the Stoneham Redevelopment Authority for two (2) years

One (1) Member of the Stoneham Redevelopment Authority for one (1) year

And one (1) Question as follows: "Shall Chapter 32B of the General Laws, authorizing any county, city, town or district to provide a plan of group life insurance, group accidental death

and dismemberment insurance, and group general or blanket hospital, surgical and medical insurance, for certain persons in the service of such county, city, town or district and their dependents, be accepted by this town."

All on one (1) ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening of Monday, March 9, 1959 in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary town officers for the year ensuing in such manner as the town may determine.

ARTICLE 3. To hear reports of town officers and committees and to act thereon and to choose committees.

ARTICLE 4. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 5, Paragraph 2, by striking out Paragraph 2 in its entirety and inserting the following:

"The rate of pay of an employee receiving compensation between any two rates between the minimum and maximum of the range prescribed for the class to which his position is allocated shall be adjusted to an equivalent of one full increment each year within the salary range until he reaches his maximum."

Personnel Board

ARTICLE 5. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Per Hourly Rate Schedule, by striking out "Foreman, Tree Dept. \$2.30 and inserting "Foreman Tree and Park Dept. \$2.50."

Personnel Board

ARTICLE 6. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Salary Schedule, by striking out the rates under the following classifications:

	Minimum	Maximum	Incr.

Industrial Committee	197.00
Parking & Trans. Committee	250.00

Town Accountant

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray town charges for the ensuing year.

Town Accountant

ARTICLE 11. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$100,000.00 for the reduction of the 1959 tax rate.

Board of Selectmen

ARTICLE 12. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1959 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 13. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time in anticipation of the revenue of the financial year beginning January 1, 1960 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 14. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 15. To see if the Town will vote to raise and appropriate a sufficient sum of money to provide a plan of Group Life Insurance, Group Accidental Death and Dismemberment Insurance and Group General or Blanket Hospital, Surgical and Medical Insurance for employees of the Town and their dependents as provided by Chapter 32B of the General Laws as amended.

Personnel Board

ARTICLE 16. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," by striking out in its entirety Section 10 and inserting in its place the following:

"Section 10. Physical Examination. Every person hereinafter employed by the town subject to this plan shall undergo a physical examination. The examining physician shall be appointed by the Board of Selectmen and shall render to the Per-

sonnel Board a sealed report of the physical condition of the applicant stating whether or not he is qualified for the position sought. No applicant shall be employed until approved by the Personnel Board, who shall have discretion to accept or reject any applicant, decision to be based on the doctor's recommendation.

After receipt of the report has been entered on the Personnel Board's records, such report shall be deposited with the Personnel Board for safekeeping, the contents subject to future review only by the Personnel Board or a physician designated by the Selectmen, otherwise the report shall remain confidential."

Personnel Board

ARTICLE 17. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the residence B District as heretofore designed and set forth so as to include in the Residence B District the following described area: Beginning at a point on the Easterly side of Main Street 100 feet distant from the said Main Street at the boundary of land now or formerly of Gertrude B. Bowman and Elvera Gigante; thence continuing in an Easterly direction by the said land of Elvera Gigante, and by land now or formerly of Mabel F. and Amy V. Edson, 266.09 feet to an iron rod; thence turning and running Northerly along a chain link fence by land now or formerly of the Town of Stoneham, 460.19 feet to a point of land now or formerly of Robert C. and Shirley I. Smith; thence turning and running Westerly by land of said Robert C. and Shirley I. Smith, Mary A. Hart, Alfred E. and Phyllis M. LaLiberte, Alfred M. and June L. Jacoby, Percy H. and Beatrice M. Hall and Walter W. and Margaret Arnold a distance of 308.48 feet to a point 100 feet distant from the said Main Street; thence turning and running in a southerly direction by land now or formerly of the said Gertrude B. Bowman, and along the line of the present limits of the Residence B. District, a distance of 426.23 feet to the point of beginning. Said area being shown on a plan of land entitled "Plan of Land in Stoneham, Mass. owned by William F. D'Annolfo" dated December 1, 1958, Warren M. Mirick, Reg. Surveyor, which plan is duly recorded in Middlesex South District Registry of Deeds as Plan No. 1660 of 1958.

William F. D'Annolfo

ARTICLE 18 To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American War Veterans; and World War I

Veterans of the United States, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 19. To see if the Town will vote to accept as a public Town way Essex Street, so-called, from Evans Road to Drury Lane, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 20. To see if the Town will vote to accept as a public Town way Lawndale Road, so-called, easterly and southerly from High Street to the dead end, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 21. To see if the Town will vote to accept as a public Town way a portion of Joan Avenue, from the end of the existing public way to Country Club Road, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Joan Avenue, from the end of the existing public way to Country Club Road, under the law relating to the assessment of betterments, determine in what manner said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Board of Public Works

ARTICLE 23. To see if the Town will vote to accept as a public Town way Webster Court so-called, from Marble Street southerly to the end, as laid out by the Board of Survey.

Residents of Webster Court

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to pave Webster Court, from Marble Street southerly to the end, under law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Residents of Webster Court

ARTICLE 25. To see if the Town will vote to accept as a

public Town way a portion of Whipple Avenue, so called, from the end of the existing public way northerly 393 feet, more or less, as laid out by the Board of Survey.

Patrick P. Vacca

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Whipple Avenue from the end of the existing public way northerly 393 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Patrick P. Vacca

ARTICLE 27. To see if the Town will vote to accept as a public Town way, Brookbridge Road, so-called from Whipple Avenue westerly 752 feet, more or less, as laid out by the Board of Survey.

Patrick P. Vacca

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to pave Brookbridge Road from Whipple Avenue westerly 752 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the town to enter upon private land where necessary.

Patrick P. Vacca

ARTICLE 29. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury, or borrow, for the permanent construction of certain public ways accepted by vote or votes of the Town under foregoing articles of this warrant, or do anything in relation thereto.

Board of Selectmen

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 31. To see if the Town will vote to raise and

appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the stabilization fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County Aid under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 34. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the permanent construction of certain streets within the limits of the Town, or do anything in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate, by transfer from available funds, by borrowing or otherwise, a sum of money for the construction and equipping of an addition to the Public Works Department garage on Pine Street, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money for the purpose of defraying the cost of repairing the skating rink at Recreation Park, or do anything in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) ash truck body and to authorize the disposal of the 1945 Load-packer body now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) one-half ($\frac{1}{2}$) ton pick-up truck and one (1) automobile for use of the Superintendent of Public Works, and to authorize the disposal of one (1) 1949 Ford Pick-up truck and one (1) 1954 Ford sedan now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of constructing a storm drain from the existing manhole near Gilmore Street 280 feet, more or less, to the existing manhole south of Hersam Street which will replace the existing stone box culvert, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) sand spreader body and one (1) power sewer cleaning machine and to authorize the disposal of the 1948 tail-gate sand spreader now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and

appropriate a sum of money for the purpose of erecting a chain link fence at Recreation Park and resetting a portion of existing chain link fence, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to accept Chapter 195, Acts of 1958 entitled "An Act authorizing cities and towns to provide temporary resurfacing of certain private ways open to public use upon payment of one half the cost by certain abutting owners," or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of the drainage brook off Avalon Road, from the end of the existing enclosed pipe on the northerly side of property now or formerly of Edward F. Geary on Avalon Road, a distance of 300 feet, more or less, northerly on land of the Town of Stoneham, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Edward F. Geary and 10 others

ARTICLE 46. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516, and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor including the Merrimack and Connecticut Rivers in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Board of Selectmen

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money for the purpose of enlarging and improving Sweetwater Brook and adjacent areas under provisions of Chapter 91 of the General Laws, authorize the Board of Selectmen to pay all or any portion of the appropriation to the Treasurer of the Commonwealth of Massachusetts, authorize the Selectmen to enter into any necessary agreement or agreements with the Department of Public Works of Massachusetts in order to proceed with the work of enlarging and improving

the said Sweetwater Brook under provision of the said Chapter 91 of the General Laws, authorize the Selectmen or the Board of Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

ARTICLE 48. To see if the Town will vote to raise and appropriate a sum of money to pipe Sweetwater Brook from William Street to Lindenwood Road, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and authorize the Selectmen or Board of Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary or do anything in relation thereto.

Richard DelRossi and 33 others

ARTICLE 49. To see if the Town will vote to raise and appropriate the sum of \$25,000 to rewire and relight the Junior High School and other necessary work incidental thereto, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or do anything in relation thereto.

School Committee

ARTICLE 50. To see if the Town will vote to raise and appropriate the sum of \$2,185 to purchase a truck for the use of the School Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new automobile for use of the Fire Chief, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the disposal of one (1) automobile now in service, or do anything in relation thereto.

Fire Chief

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money to enlarge and reconstruct the apparatus doors on the front of the Central Fire Station, together with other related work incidental thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Fire Chief

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money to provide a uniform allowance for members of the Police Department, in accordance with provisions of Chapter 40, Section 6B of the General Laws, accepted by a vote of the Town under Article 31 of the warrant for the annual Town Meeting of 1953, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Members of Police Department

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Four Door Sedan for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by the transfer from available funds or otherwise, authorize the disposal of one (1) 1957 four door sedan now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 55. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1957 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1958 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 57. To see if the Town will vote to raise and appropriate a sum of money to paint the exterior of the Town Infirmary Main Building, and to make any other necessary exterior repairs in connection with this painting, determine in what manner said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do nything in relation thereto.

Board of Public Welfare

ARTICLE 58. To see if the Town will sell to the Stoneham Jewish Community Center Inc. and the Temple Judea for use as a cemetery for its membership, a portion of land owned by the Town of Stoneham and now part of the Lindenwood Cemetery bounded as follows:

Beginning at a point on Butler Ave. 50 ft. from land of Domenick and Anna M. Cimina thence the line runs SW along land of Town of Stoneham and land of Theodore P. and Natalie M. Alves, 200 ft. to the East side of Richardson Ave. thence NW by the end of Richardson Ave. 40' to a point; thence NW by land of Town of Stoneham 558.54' to a point; thence NE by land of Edna C. Lord 179.92' to point; thence SE by lot #19, 18, 17, 16, 15, and 14, 458.01' to a point; thence NE by Lot #14, 43.69' to Butler Ave.; thence on a curved line by Butler Ave. 90.30 to a point of curve; thence SE by Butler Ave. 47.95' to a point of beginning, this area containing 2.91 Acres more or less. This area shall be subject to a 45 foot Right of Way, beginning at south end of the proposed property and running from Butler Ave. to land of Town of Stoneham, Lindenwood Cemetery, a distance of 240 ft. more or less.

More fully described on plan by Warren M. Mirick January 21, 1959.

Stoneham Jewish Community Center, Inc.

ARTICLE 59. To see if the Town will vote to authorize the Board of Health to enter into a contract for a term of not more than three (3) years for the removal and disposal of garbage, or do anything in relation thereto.

Board of Health

ARTICLE 60. Board of Selectmen

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this third day of February in the year one thousand nine hundred and fifty-nine, A.D.

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
DANIEL L. HURLEY
STANLEY D. WOOD

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on February 16, 1959, and by publishing duly attested copies of the said warrant in The Stoneham Press and The Stoneham Independent on February 19, 1959.

UGO M. ROLLI
Constable of Stoneham

Annual Town Meeting, March 2, 1959

Agreeable to the warrant signed by the Selectmen on February 3, 1959, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the Town qualified to vote in elections and town affairs met in Town Hall on Monday, March 2, 1959 at six o'clock in the forenoon.

The meeting was called to order by the Moderator and the warrant read.

Ballot clerks and tellers appointed by the Selectmen in accordance with provisions of Chapter 54, Sections 19-22 inclusive, were sworn by the Town Clerk and assigned to duty.

By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened at three o'clock in the afternoon,

and the ballots taken therefrom for the purpose of counting. The tellers appointed to canvass and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1315, and ballot box No. 2 registered 1069 as ascertained by the Town Clerk. The check list at the gate had the names of 2384 persons as having received ballots, and the check lists at the ballot boxes had the names of 2384 persons as having voted. Twenty (20) persons were recorded as having voted by absent ballot. The number of unused ballots returned to the Town Clerk was 5636.

Question 1

"Shall Chapter 32B of the General Laws authorizing any county, city, town or district to provide a plan of group life insurance, group accidental death and dismemberment insurance, and group general or blanket hospital, surgical and medical insurance for certain persons in the service of such county, city, town or district and their dependents, be accepted by this town?"

Yes 977

No 667

Blanks 740

The question having received more affirmative votes than negative votes, was declared carried.

All requirements of the law having been complied with, the meeting was declared adjourned to meet in Town Hall on Monday, March 9, 1959 at 7:30 o'clock in the evening in accordance with provisions of Article 1, Section 2 of the By-laws of the Town of Stoneham.

All the foregoing truly entered.

WINTHROP A. MCCARTHY, Town Clerk

Adjourned Annual Town Meeting, March 9, 1959

Agreeable to the warrant signed by the Selectmen on February 3, 1959, and in accordance with the vote of adjournment at the annual Town Meeting held on March 2, 1959, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 9, 1959 at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that four hundred forty-five voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 2. VOTED that the Selectmen be authorized to appoint all other town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of Town officers and committees as printed in the annual Town Report for the year 1959 be accepted.

Article 4. VOTED that Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and

Classification Plan", Section 5, paragraph 2, by striking out paragraph 2 in its entirety and inserting the following: "The rate of pay of an employee receiving compensation between any two rates between the minimum and maximum of the range prescribed for the class to which this position is allocated shall be adjusted to an equivalent of one full increment each year within the salary range until he reaches the maximum.

Article 5. VOTED that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", Per Hourly Rate Schedule, by striking out "Foreman, Tree Dept., \$2.30" and inserting in place thereof "Foreman, Tree and Park Dept., \$2.50."

Article 6. The motion, as amended by striking out the items Captain of Police, Fire Chief, Building and Wire Inspector, Town Accountant, Administrative Clerk and Public Health Nurse wherever said items appear in said motion, together with corresponding salary amounts, was not carried. Yes, 97; No, 236.

Article 7. VOTED that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", Salary Schedule, by inserting under the classification "Town Hall Custodian", a minimum rate of \$3,980, Increment 1-180.

Article 8. VOTED that the Town fix salaries of its several elected offices for the year 1959 as follows:

VOTED that the Town raise and appropriate the sum of \$15,000.00 to provide a plan of Group Life Insurance, Group Accidental Death and Dismemberment Insurance and Group General or Blanket Hospital, Surgical and Medical Insurance for employees of the Town and their dependants as provided by Chapter 32B of the General Laws as amended, said appropriation to be raised from the revenue of the current year, and that the Board of Selectmen be authorized to enter into all lawful contracts and agreements so that the said plan shall take effect in the year 1959.

Article 16. A motion to amend the By-Laws of the Town of Stoneham made under this article was declared lost.

Article 17. VOTED that the Town amend the Zoning By-Law by adding to the present limits of the Residence B District as heretofore designed and set forth so as to include in the Residence B District the following described area; to wit:

Beginning at a point on the Easterly side of Main Street 100 feet distant from the said Main Street at the boundary of land now or formerly of Gertrude B. Bowman and Elvera Gigante; thence continuing in an Easterly direction by the said land of Elvera Gigante, and by land now or formerly of Mabel F. and Amy V. Edson, 226.09 feet to an iron rod; thence turning and running Northerly along a chain link fence by land now or formerly of the Town of Stoneham, 460.19 feet to a point at land now or formerly of Robert C. and Shirley I. Smith; thence turning and running Westerly by land of said Robert C. and Shirley I. Smith, Mary A. Hart, Alfred E. and Phyllis M. La-Liberte, Alfred M. and June L. Jacoby, Percy H. and Beatrice M. Hall and Walter W. and Margaret Arnold a distance of 308.48 feet to a point 100 feet distant from the said Main Street; thence turning and running in a Southerly direction by land now or formerly of the said Gertrude B. Bowman, and along the line of the present limits of the Residence B. District, a distance of 426.23 feet to the point of beginning. Said area being shown on a plan of land entitled, "Plan of Land in Stoneham, Mass., owned by William F. D'Annolfo" dated December 1, 1958, Warren M. Mirick, Reg. Surveyor, which plan is duly recorded in Middlesex South District Registry of Deeds as Plan No. 1660 of 1958. Yes, 243; No, 3.

A motion to reconsider Article 17 was declared lost unanimously.

VOTED to adjourn the meeting to meet in Town Hall on Monday, March 16, 1959 at 7:45 o'clock in the evening.

All the foregoing truly entered.

WINTHROP A. McCARTHY,

Town Clerk.

ADJOURNED TOWN MEETING

March 16, 1959

Agreeable to the warrant signed by the Selectmen on February 3, 1959, and in accordance with the vote of adjournment at the annual Town Meeting held on March 9, 1959, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 16, 1959 at 7:45 o'clock in the evening.

Tellers were appointed to check names of voters entering the hall, and the check lists showed that four hundred thirty-eight (438) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 18. VOTED that the Town pay the rent of the Veterans organizations called for under this article and any expense to come from the appropriation made for said purpose under Article 10 of this warrant.

Article 19. VOTED that the Town accept as a public town way, Essex Street, from Evans Road to Drury Lane, as laid out by the Board of Survey.

Article 20. VOTED that the Town accept as a public town way Lawndale Road, easterly and southerly from High Street to the dead end, as laid out by the Board of Survey.

Article 21. VOTED that the Town accept as a public town way a portion of Joan Avenue, from the end of the existing public way to Country Club Road, as laid out by the Board of Survey.

Article 22. VOTED that the sum of \$800.00 be raised and appropriated from the revenue of the current year to pave a portion of Joan Avenue, from the end of the existing public way to Country Club Road, under the law relating to the assessment of betterments, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 23. VOTED that the Town accept as a public town way Webster Court, from Marble St. southerly to the end, as laid out by the Board of Survey.

Article 24. VOTED that the sum of \$520.00 be raised and appropriated from the revenue of the current year to pave Webster Ct. from Marble St. southerly to the end, under the law relating to the assessment of betterments, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 25. VOTED that the subject matter of this article be indefinitely postponed.

Article 26. VOTED that the subject matter of this article be indefinitely postponed.

Article 27. VOTED that the Town accept as a public town way Brookbridge Road, from Whipple Avenue westerly a distance of 752 feet, more or less, as laid out by the Board of Survey. Yes, 116; No, 113.

Article 28. VOTED that the sum of \$11,850.00 be appropriated to pave Brookbridge Road, from Whipple Avenue westerly a distance of 752 feet, more or less, under the law relating to the assessment of betterments, that the said appropriation be raised as follows: by transfer from the Excess and Deficiency Account the sum of \$7,599.54, by transfer from unexpended appropriation balance as follows: Arnold Road Paving, \$1,468.63; Elmhurst Road Paving, \$119.80; Greenview Road Paving \$50.22; Kenneth Terrace Paving \$2,190.84; Marshall Road Paving, \$184.11; Oakridge Road Paving \$18.01; Bow Street Court Paving \$177.83; Lawndale Road Paving (Art. 47-1958) \$41.02, that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town and that the Selectmen or Board of Public Works be authorized to obtain easements to enable the Town to enter upon private land where necessary.

Article 29. VOTED that the subject matter of this article be indefinitely postponed.

Article 30. VOTED that the Town raise and appropriate the sum of \$75,000.00 for the purpose of extending water mains or relaying water mains within the limits of the Town, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$75,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 31. VOTED that the Town raise and appropriate the sum of \$75,000.00 for the purpose of defraying the cost of constructing sanitary sewer mains within the limits of the Town,

that the said appropriation be raised as follows: by transfer from the Excess and Deficiency Account the sum of \$7,000.00, and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$68,000.00, said notes or bonds to be payable in accordance with Chapter 44 of the General Laws, and the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 32. VOTED that the Town raise and appropriate the sum of \$3,000.00 from the revenue of the current year to reconstruct certain existing tar sidewalks within the limits of the Town.

Article 33. VOTED that the Town raise and appropriate the sum of \$4,500.00 from the revenue of the current year for the maintenance of Highways which have been constructed with State and County aid under the provisions of Chapter 90 of the General Laws, and that any receipts from the State and County be placed in the Excess and Deficiency Account.

Article 34. VOTED that the Town raise and appropriate the sum of \$24,000.00 for the improvement of a public way or ways, said construction authorized under the provisions of Chapter 90 of the General Laws, that the said appropriation be raised by transfer from the Excess and Deficiency Account, that any receipts from the State and County shall be placed in the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 35. VOTED that the Town raise and appropriate the sum of \$1,500.00 from the revenue of the current year for labor, materials and other necessary expense for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956.

Article 36. VOTED that the Town raise and appropriate the sum of \$8,540.48 for the permanent construction of Certain Streets within the limits of the Town which have received the approval of the State Department of Public Works, raise the said appropriation as follows: from the unappropriated balance of the Highway Fund as provided by Chapter 718, Acts of 1956, the sum of \$51.37; and from the unexpended balance of the appropriation voted for a similar purpose under Article 37 of the warrant for the annual Town Meeting of 1958 the sum of \$8,489.11, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 37. VOTED that the Town raise and appropriate the sum of \$20,000.00 for the purpose of constructing and equipping an addition to the Public Works Department garage on Pine Street, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 38. VOTED that the Town raise and appropriate the sum of \$2,000.00 from the Revenue of the current year for the purpose of repairing the skating rink at Recreation Park.

Article 39. VOTED that the Town raise and appropriate the sum of \$4,850.00 to purchase, for use of the Public Works Department, one (1) ash truck body, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the disposal of one (1) 1945 Load-Packer body now in service, authorize the Board of Public Works to make said purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 40. VOTED that the Town raise and appropriate the sum of \$3,950.00 to purchase for use of the Public Works Department, one (1) one-half ($\frac{1}{2}$) ton pick-up truck and one (1) automobile for use of the Superintendent of Public Works, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the disposal of one (1) 1949 Ford Pick-up truck and one (1) 1958 Ford sedan now in service, authorize the Board of Public Works to make such purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 41. VOTED that the subject matter of this article be indefinitely postponed.

Article 42. VOTED that the Town raise and appropriate the sum of \$6,770.00 to purchase for use of the Public Works Department, one (1) sand Spreader body and one (1) power sewer cleaning machine, raise the said appropriations by transfer from the Excess and Deficiency Account, authorize the disposal of one (1) 1948 tail-gate sand spreader now in service, authorize the Board of Public Works to make such purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 43. VOTED that the Town raise and appropriate the sum of \$2,200.00 from the revenue of the current year for the purpose of erecting a chain link fence and resetting a portion of existing chain link fence at Recreation Park.

Article 44. VOTED that the Town accept Chapter 195, Acts of 1958 entitled "An act authorizing cities and towns to provide temporary resurfacing of certain private ways open to public use upon payment of one half the cost by certain abutting owners".

Article 45. MOVE that the subject matter of this article be indefinitely postponed.

VOTED that Article 48 be taken up at this time.

Article 48. VOTED that the Town do pipe Sweetwater Brook, from William Street to Lindenwood Road, and that the cost of piping said Sweetwater Brook be taken from any appropriation made under Article 47 of this warrant.

Article 46. VOTED that the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor including the Merrimack and Connecticut Rivers in Accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article 47. VOTED that the sum of \$60,000.00 be appropriated for the purpose of enlarging and improving Sweetwater Brook and adjacent areas, as called for under Article 48 of this warrant, under provisions of Chapter 91 of the General Laws, as amended, and that the Board of Selectmen be authorized to pay all or any portion of the appropriation to the Treasurer of the Commonwealth of Massachusetts, that the Board of Selectmen or the Board of Public Works be authorized to enter into any necessary agreement or agreements with the Department of Public Works of Massachusetts in order to proceed with the work of enlarging, piping and improving the said Sweetwater Brook under the provisions of Chapter 91 of the General Laws, as amended, that the Board of Selectmen or the Board of Public Works be and hereby are authorized to obtain any necessary easements for the purpose of enabling the Town to enter upon private land where necessary and that the said appropriations shall be raised as follows: the sum of \$7,000.00 by transfer from the Excess and Deficiency Account, and that the Town Treasurer, with the approval of the selectmen, be authorized to issue and sell from time to time, as occasion requires, town

notes, bonds or other evidences of indebtedness to an amount not exceeding \$53,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 49. VOTED that the Town raise and appropriate the sum of \$25,000.00 to rewire and relight the Jr. High School Bldg, together with other necessary work incidental thereto raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 50. VOTED that the Town raise and appropriate the sum of \$2,185.00 to purchase a truck for use of the School Department, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the School Committee to make such purchase, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 51. VOTED that the Town raise and appropriate the sum of \$2,800.00 to purchase one (1) new automobile for use of the Fire Chief, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the disposal of one (1) automobile now in service, authorize the Moderator to appoint a committee of three citizens to make said purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 52. VOTED that the Town raise and appropriate the sum of \$4,500.00 to enlarge and reconstruct the apparatus doors on the front of the Central Fire Station, together with other necessary work incidental thereto, raise the said appropriation by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 53. VOTED that no action be taken under this article as an appropriation for uniform allowance for members of the Police Department was made under Article 10 of this warrant.

Article 54. MOVE that the subject matter of this article be indefinitely postponed.

Article 55. VOTED that the Town raise and appropriate the sum of \$2,200.00 to purchase one (1) new Station Wagon for use of the Police Department to replace one cruising automobile now in service, raise the said appropriation by transfer

from the Excess and Deficiency Account, authorize the disposal of one (1) cruising automobile now in service, authorize the Moderator to appoint a committee of three citizens to make said purchase and disposal and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 56. VOTED that the subject matter of this article be indefinitely postponed.

Article 57. VOTED that the Town raise and appropriate the sum of \$2,300.00 to paint the exterior of the Town Infirmary Main Building, and to make other necessary exterior repairs in connection with this painting, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Board of Public Welfare to carry out the provisions of this vote, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 58. It was moved and seconded that the Town sell to the Stoneham Jewish Community Center, Inc., and the Temple Judea for use as a cemetery for its membership a portion of land owned by the Town of Stoneham and now part of the Lindenwood Cemetery bounded as follows:

Beginning at a point on Butler Ave. 50 feet from land of Domenick and Anna M. Cimina thence the line runs SW along land of Town of Stoneham and land of Theodore P. and Natalie M. Alves, 200 feet to the East side of Richardson Ave. thence NW by the end of Richardson Ave. 40 feet to a point; thence NW by land of the Town of Stoneham 558.54 feet to a point; thence SE by Lot 19, 18, 17, 16, 15, and 14, 458.01 feet to a point; thence NE by Lot 14, 43.69 feet to Butler Ave.; thence on a curved line by Butler Ave. 90.30 feet to a point of curve; thence SE by Butler Ave. 47.95 feet to the point of beginning; this area containing 2.91 acres more or less; that this area shall be subject to a 45 foot right of Way, beginning at the south end of the proposed property and running from Butler Ave. to land of the Town of Stoneham, Lindenwood Cemetery, a distance of 240 feet more or less, more fully described on plan by Warren M. Mirick January 21, 1959; that the selling price shall be at least \$1,500.00 and that the Board of Selectmen are authorized to convey title to said land.

The motion failed to receive the necessary two-thirds vote and was not carried. Yes, 177; No, 113.

Article 59. VOTED that the Town authorize the Board of Health to enter into a contract for a term of not more than three (3) years for the removal and disposal of garbage.

Article 60. VOTED that the Town authorize the expenditure of \$2,000.00 for the purpose of eliminating insects and other pests within the limits of the Town, and any expense therefor to be taken from the appropriation made for Health Department Operating Expense under Article 10 of this warrant.

Article 61. VOTED that the Town authorize the expenditure of \$300.00 for the purpose of rat control within the limits of the Town, and any expense therefor to be taken from the appropriation made for Health Department Operating Expense under Article 10 of this warrant.

Article 62. VOTED that the Town raise and appropriate the sum of \$10,000.00 from the revenue of the current year for the Planning Board to update and revise the Stoneham Master Plan compiled by Adams, Howard and Greeley in 1951, and to revise certain municipal codes and ordinances, said sum to be used in conjunction with funds available under provisions of Chapter 23A, Section 6 of the General Laws of Massachusetts, and Section 701 of Title VII of the Federal Housing Act of 1954, as amended.

Article 63. VOTED that the Town raise and appropriate the sum of \$900.00 from the revenue of the current year to purchase and install a new counter complete with filing cabinets in the office of the Town Clerk.

Article 64. VOTED that the Town raise and appropriate the sum of \$6,300.00 to purchase a new billing machine for use of the Treasurer and Collector's Dept., raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Moderator to appoint a committee to make such purchase, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 65. VOTED that the Town raise and appropriate the sum of \$1,500.00 to purchase and install new drapes in the windows of the Town Hall Auditorium, and for other necessary expense in connection with the installation of the said drapes, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Moderator to appoint a committee of three citizens to make said purchase and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 66. This motion was taken up after Article 9 at the meeting of March 9, 1959.

Article 67. VOTED that the Town accept Chapter 33, Section 59 of the General Laws entitled "No loss of pay or vacation to State, Municipal etc. employees in armed forces when on duty".

Article 68. VOTED that the Town accept provisions of Chapter 332, Acts of 1958 entitled "An Act extending application of certain provisions of law relative to the supervision of Plumbing."

The business of the meeting having been completed it was VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY

Town Clerk

WARRANT FOR SPECIAL TOWN MEETING

November 18, 1959

To either of the Constables of the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

WEDNESDAY, NOVEMBER 18, 1959

at eight o'clock in the evening to act on the following articles of this warrant:

Article 1. To see if the Town will vote to raise and appropriate a sum of money for Non-Contributory Pensions, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto.

Town Accountant

Article 2. To see if the Town will vote to determine that there exists in the Town of Stoneham the need for an Urban Renewal Program or Programs, in accordance with provisions of Section 26XX of Chapter 121 of the General Laws, and to raise and appropriate and transfer from available funds a sum or sums of money necessary therefor, and pass any vote or take any action relative thereto.

Stoneham Redevelopment Authority

Article 3. To see if the Town will vote to raise and appropriate a sum of money to provide additional traffic directors for school crossings at various locations in the Town, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto.

Alice F. DelRossi and 202 others

Article 4. To see if the Town will vote to raise and appropriate a sum of money for the purpose of piping Sweetwater Brook from Oak Street, a distance of five hundred (500) feet more or less, in a northeasterly direction including the junction of brooks in land now or formerly of Foresto to land now or formerly of Davis, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, authorize the Board of Selectmen or Board of Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Cecilia E. Harrison and 105 others

Article 5. To see if the Town will vote to raise and appropriate a sum of money for the purpose of enlarging and improving Sweetwater Brook from Oak Street, a distance of five hundred (500) feet more or less, in a northeasterly direction including the junction of brooks in land now or formerly of Foresto to land now or formerly of Davis, under provisions of Chapter 91 of the General Laws, authorize the Board of Selectmen to pay all or any portion of the appropriation to the Treasurer of the Commonwealth of Massachusetts, authorize the Selectmen to enter into any necessary agreement or agreements with the Department of Public Works of Massachusetts in order to proceed with the work of enlarging and improving the said Sweetwater Brook under provisions of the said Chapter 91 of the General Laws, authorize the Selectmen or the Board of Public Works to obtain easements for the purpose of enabling the town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

Article 6. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor including the Merrimack and Connecticut Rivers in accordance

with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Board of Selectmen

And you are directed to have one thousand (1000) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-seventh day of October in the year one thousand nine hundred and fifty-nine A.D.

FRED A. SCHNEIDER
DONALD J MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
DANIEL L. HURLEY

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on November 6, 1959, and by publishing duly attested copies of the said warrant in the Stoneham Independent and the Stoneham Press on November 12, 1959.

UGO M. ROLLI
Constable of Stoneham

Special Town Meeting, November 18, 1959

Agreeable to the warrant signed by the Selectmen on October 27, 1959, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Wednesday, November 18, 1959 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that three hundred and one (301) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read:

Article 1. VOTED that the Town raise and appropriate the sum of \$2,681.72 for Non-Contributory Pensions, said appropriation to be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Yes, 139; No, 66.

Article 2. VOTED that the Town does determine that there exists in the Town of Stoneham the need for an Urban Renewal Program or Programs, in accordance with provisions of Section 26XX of Chapter 121 of the General Laws.

Article 3. A motion to indefinitely postpone, duly seconded, was not carried. Yes, 57; No, 193.

VOTED that the Town raise and appropriate the sum of \$240.00 for the employment of two additional traffic directors at school crossings, that the appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 4. A motion to indefinitely postpone, duly seconded, was not carried.

VOTED that the Town pipe Sweetwater Brook, a distance of five hundred (500) feet, more or less from Oak Street in a northeasterly direction, including the junction of brooks in land now or formerly of Foresto to land now or formerly of Davis, and that the cost of piping the said Sweetwater Brook be taken from the appropriation to be made under Article 5 of this warrant.

Article 5. VOTED that the sum of \$30,000.00 be raised and appropriated for the purpose of enlarging and improving Sweetwater Brook, as called for under Article 4 of this warrant, under provisions of Chapter 91 of the General Laws, and that the Board of Selectmen be authorized to pay all or any portion of the appropriation to the Treasurer of the Commonwealth of Massachusetts, that the Board of Selectmen or the Board of Public Works be authorized to enter into any necessary agreement or agreements with the Department of Public Works of Massachusetts in order to proceed with the work of enlarging, piping and improving the said Sweetwater Brook under the provisions of Chapter 91 of the General Laws, as amended, that the Board of Selectmen or the Board of Public Works be and hereby is authorized to obtain any necessary easements for the purpose of enabling the Town to enter upon private land where necessary, and that the said appropriation shall be raised by borrowing, that the Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires,

town notes, bonds or other evidences of indebtedness to an amount not exceeding \$30,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 6. VOTED that the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts, for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

VOTED to adjourn at 9:45 o'clock in the evening.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Stoneham, April 21, 1959

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of Stoneham in the County of Middlesex, hereby certify the following is a true copy of Article 17 of the warrant for the annual Town Meeting of 1959, duly called, warned and held on March 2, 1959 and adjourned to March 16, 1959, at which time a quorum of 445 voters were present when said Article 17 was before said meeting:

Article 17. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the residence B District as heretofore designed and set forth so as to include in the Residence B. District the following described area; Beginning at a point on the Easterly side of Main Street 100 feet distant from the said Main Street at the boundary of land now or formerly of Gertrude B. Bowman and Elvera Gigante; thence continuing in an Easterly direction by the said land of Elvera Gigante, and by land now or formerly of Mabel F. and Amy V. Edson, 266.09 feet to an iron rod; thence turning and running Northerly along a chain link fence by land now or formerly of the Town of Stoneham, 460.19 feet to a point at land now or formerly of Robert C. and Shirley I. Smith; thence turning and running Westerly by land of said Robert C. and Shirley I. Smith, Mary A. Hart, Alfred E. and Phyllis M. LaLiberte, Alfred M. and June L. Jacoby, Percy H. and Beatrice M. Hall and

Walter W. and Margaret Arnold a distance of 308.48 feet to a point 100 feet distant from the said Main Street; thence turning and running in a Southerly direction by land now or formerly of the said Gertrude B. Bowman, and along the line of the present limits of the Residence B. District, a distance of 426.23 feet to the point of beginning. Said area being shown on a plan of land entitled "Plan of Land in Stoneham, Mass. owned by William D'Annolfo" dated December 1, 1958, Warren M. Mirick, Reg. Surveyor, which plan is duly recorded in Middlesex South District Registry of Deeds as Plan No. 1660 of 1958.

William F. D'Annolfo

I further certify that, acting under Article 17, the following action was taken:

Article 17. VOTED that the Town amend the Zoning By-law by adding to the present limits of the Residence B District as heretofore designed and set forth so as to include in the Residence B District the following described area; to wit:

Beginning at a point on the Easterly side of Main Street 100 feet distant from the said Main Street at the boundary of land now or formerly of Gertrude B. Bowman and Elvera Gigante; thence continuing in an Easterly direction by the said land of Elvera Gigante, and by land now or formerly of Mabel F. and Amy V. Edson, 266.09 feet to an iron rod; thence turning and running Northerly along a chain link fence by land now or formerly of the Town of Stoneham, 460.19 feet to a point at land now or formerly of Robert C. and Shirley I. Smith; thence turning and running Westerly by land of said Robert C. and Shirley I. Smith, Mary A. Hart, Alfred E. and Phyllis M. LaLiberte, Alfred M. and June L. Jacoby, Percy H. and Beatrice M. Hall and Walter W. and Margaret Arnold a distance of 308.48 feet to a point 100 feet distant from the said Main Street; thence turning and running in a Southerly direction by land now or formerly of the said Gertrude B. Bowman, and along the line of the present limits of the Residence B. District, a distance of 426.23 feet to the point of beginning. Said area being shown on a plan of land entitled, "Plan of Land in Stoneham, Mass., owned by William F. D'Annolfo" dated December 1, 1958, Warren M. Mirick, Reg. Surveyor, which plan is duly recorded in Middlesex South District Registry of Deeds as Plan No. 1660 of 1958. Yes, 243; No, 3.

A true copy from the records.

WINTHROP A. McCARTHY

Town Clerk of Stoneham

I further certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

WINTHROP A. McCARTHY
Town Clerk of Stoneham

COMMONWEALTH OF MASSACHUSETTS
Middlesex, ss. Stoneham, Mass., April 29, 1959

Subscribed and sworn to before me this day.

WALTER G. LEAVITT
Notary Public

My commission expires Sept. 24 1959
Boston, Mass., May 14, 1959

The foregoing amendment to zoning by-law is hereby approved.

E. J. McCORMACK, JR.
Attorney General

ANNUAL REPORT OF THE PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board held its 1959 organization meeting on March 11, 1959. Mr. Thomas Leahy, Mr. Millard Taylor, Mr. Louis Vacca and the new members of the Board, Mr. Paul Brown and Mr. Daniel Towse, elected Mr. Leahy as Chairman and Mr. Brown as Secretary.

Mrs. Gertrude Mortensen earned the board's thanks for her efficient and loyal work throughout the year as office clerk.

Twenty-seven regular meetings were held during the year, two Public Hearings for the purpose of re-zoning amendments and four Public Hearings for subdivisions in the town.

Members of the board attended an Industrial Development Seminar sponsored by the Department of Commerce on May 11th.

Application to the State for assistance for a planning grant through Urban Renewal was filed for the town this year, after the vote of the Annual Town Meeting provided the money and authority to do so.

Specifications and construction requirements for Subdivisions were completely re-written and brought up to date by the Public Works Department for the Planning Board.

During the year 40 plans were signed as not requiring approval under the Subdivision Control Law.

Plans were presented and hearings held for subdivision of the D'Annolfo property on Main Street, known as The Colonial Court; land off Franklin Street known as Ellen Road Extension;

land off Green Street owned by James O'Grady and land off MacArthur Road owned by Realty Construction & Engineering Inc.

Much thought and work has been directed towards the prospects of land adjoining the new State Highway on the west side of town. Proposals will be before the Town Meeting for development of this area.

The Board wishes to extend its appreciation to the various Town officials, the Board of Public Works, and the many segments of the public who appeared at its meetings for the fine cooperation displayed by all.

Respectfully submitted
Thomas M. Leahy, Chairman
Paul C. Brown, Secretary
Millard D. Taylor
Louis P. Vacca
Daniel C. Towse

STONEHAM PLANNING BOARD

ANNUAL REPORT OF THE BOARD OF HEALTH

We herewith submit our Annual Report for the year 1959.

The duly elected members organized on March 17, 1959 as follows:

Frederick F. Mosley, Chairman

John Quimby, Secretary

Harold C. Hurd, Member

The following appointments were made:

Gertrude B. Mortensen, Clerk-Agent

Harold C. Hurd, Health Inspector and Milk Inspector

John J. Devine, Collector of Milk and Ice Cream
Samples and Analyst

Henry Leavitt, M.D., Board of Health Physician

M. A. Kennett, D.V.M., Slaughtering Inspector

Katherine L. Kenny, Board of Health Nurse

Phyllis D. Lovering, Dental Hygienist

John E. Drugan, Jr., D.M.D., Board of Health Dentist

Edward F. Breagy, D.M.D., Honorary Member of the
Board of Health and advisor to Dental Hygienist

At the Annual Town Meeting in 1959, this board had an article in the warrant, seeking permission to make appointments from its own membership to certain positions. You were kind enough again to vote your approval and as a result the work of the board has progressed smoothly through the year. Meet-

ings have been held with the Board of Selectmen and other boards regarding matters of mutual concern.

Dr. John E. Drugan, Jr. of Wakefield found it necessary to resign after rendering two years of excellent service in our Dental Clinic. Dr. Nicholas Chicklas of Stoneham is serving in that capacity and is already winning the confidence of the children and doing most acceptable service.

Endeavoring to serve the town well and follow the demand for economy, we took a lower bid on the garbage contract. However, the work of the contractor after months of trial, counsel and warnings to him proved intolerable and the contract was terminated. We were exceedingly fortunate to secure the services of the former contractor who had through the years given such excellent service and at the same price.

We would like to appeal to our citizens to cooperate in keeping their containers in good condition and accessible during the winter months. For a more detailed report, please check the following reports.

Respectfully submitted
 FREDERICK F. MOSLEY, Chairman
 JOHN QUIMBY, Secretary
 HAROLD C. HURD
 Stoneham Board of Health

Communicable Disease Report

The following cases have been reported:

	1955	1956	1957	1958	1959
Chicken Pox	79	57	134	52	52
Diphtheria	0	0	0	0	0
Dog Bites	93	87	65	93	104
German Measles	1	31	3	122	13
Malaria	0	0	0	0	0
Measles	287	15	15	361	69
Meningitis	1	0	0	1	0
Mumps	85	13	145	99	9
Poliomyelitis	11	0	0	0	0
Salmonellosis	0	0	0	0	4
Scarlet Fever	20	36	23	3	8
Tuberculosis	7	4	0	4	7
Whooping Cough	8	14	4	4	0

We urge that all cases of Communicable Diseases be reported to the Board of Health Office, either by the School Department, the family physician or some member of the patient's family. This is a state regulation that should be carried out.

Two clinics were conducted in April for the inoculation of dogs against rabies, when 318 dogs were vaccinated by M. A. Kennett, D.V.M.

The following licenses were issued during the year:

Milk:	
Wholesale	26
Retail	41
Pasteurization	2
Oleomargarine	17
Frozen Desserts	3
Ice Cream	45
Bottling Carbonated Beverages	2
Cesspools and Septic Tanks	47
Methyl Alcohol	23
Kindergartens and Nursery Schools	7
Girl Scout Cabins	3
Motel	1
Funeral Directors	7

Total cash turned into Town Treasurer on the above permits and the Dog Clinics — \$460.75. Also \$46.50 turned in, fees for immunizing babies with Tetravax at our fall clinics (Tetanus, Whooping Cough, Diphtheria and Polio).

220 Burial Permits were issued to Stoneham and out-of-town Funeral Directors, upon presentation of death certificates properly completed.

Approximately 4,500 biological items were issued by our office to Stoneham physicians and the New England Sanitarium and Hospital.

Respectfully submitted,
 GERTRUDE B. MORTENSEN
 Clerk-Agent

Report of Health Inspector

It is a pleasure to submit herewith my report as Health Inspector for the year 1959.

First I am happy to report that I have received my certificate as a Registered Sanitarian from the Board of Registration of Sanitarians, Commonwealth of Massachusetts; also was elected a member of the Milk Inspectors' Association of Massachusetts.

The following inspections were made for cleanliness and sanitary conditions during 1959:

Installations of cesspools and septic tanks	47
Installations of dry wells	20
Kindergarten and Nursery Schols	16
Motels	4
Nursing Homes	14
Grocery and Variety Stores	218
Bottling Concerns	4
Candy Manufacturers	10
Restaurants	165
Drug Stores	80
Home for Aged	8
Girl Scout Camps	9
Gas Stations for Alcohol Licenses and Toilet Cleanliness	100
Bakeries	40
Swimming Pools	10
Hospital	2
Ice Cream Manufacturers	30
Milk Plants	12

Received and investigated were 452 complaints consisting of cesspools and septic tanks overflowing, the keeping of chickens, horses, goats and rabbits in restricted areas; odors from factories, brooks, drains etc.; smoke and soot nuisance from factories and burning of trash and garbage; also garbage collection complaints, rat menaces, flood conditions, unsanitary conditions in public places and homes; blocking of brooks or natural waterways; also complaints of bats, hornets, and ants.

I have also worked with the men from Safety Fumigant Company on Rat Control and Airborne Sprayers on Mosquito Control. On some occasions I have been accompanied by the Building Inspector, Plumbing Inspector, Fire Chief, State Public Health Officials, Board Members, State Division of Smoke Inspection, Milk Analyst, Public Works Superintendent, Chief Inspector from State Food and Drug Division and Senior Drug Inspector of the Commonwealth and the Chief Engineer of the Right of Ways, Public Works of Massachusetts.

On occasion I have gone before the Clerk of Courts, Woburn for the best interests of the town and received his legal cooperation. I have also received full cooperation from the Public Works Department, Town Counsel, Police and Fire Departments.

In conclusion, I wish to thank the Board of Health clerk

and agent, Nurse, Doctor, Board Members and other town officials who have aided me in the past year, and the townspeople for their fine cooperation.

Respectfully submitted
HAROLD C. HURD, Health Inspector

Report of Dental Hygienist

The following report is submitted for the year ending in December 1959:

* Total number of examinations	820
Total number under treatment	724
Total number without defects	403
Total number of defects	426
Total number of notices sent home	105
Total number taken to Forsyth for cleanings	558
Total number of cleanings done in Dental Clinic	236
Total number of appointments accomplished by Dr. Drugan	213
Total number of appointments accomplished by Dr. Chicklas	143

Dr. John Drugan's work from January through June consisted of the following:

Number of amalgam fillings	128
Number of zinc oxide treatments	66
Number of cement fillings	35
Number of novocain injections	115
Number of extractions	25
Number of sutures	1
Number of teeth opened	5
Number of x-rays taken for Dr. Drugan by Dr. E. Breagy	3

Dr. Nicholas Chicklas' work from October through December consisted of the following:

Number of amalgam fillings	125
Number of zinc oxide treatments	20
Number of cement fillings	37
Number of novocain injections	49
Number of porcelain fillings	14
Number of extractions	5
Number of silver nitrate applications	3

*Assisting Dr. Chicklas and the transportation of children to and from the Dental Clinic, plus many oral prophylactic treatments at the Clinic, cancelled any examinations in the schools from October through December.

The Dental Hygienist participates in carrying out the following functions:

1. Examination of each school child from Grade 1 through 6 and the Special Class.
2. Charting each mouth, noting all fillings, cavities and defects.
3. Filing all charts in Dental Clinic.
4. Acquainting each child with their own particular dental needs such as daily dental care and regular dental visits.
5. Notifying parents when excessive cavities are present.
6. Conferring with parents in the home relative to dental work or care.
7. Interpreting to parents, teachers and pupils findings of dental examinations and assisting in arranging for correction when possible.
8. Taking children to Forsyth Dental Infirmary for oral prophylactic treatments.
9. Giving oral prophylactic treatments in the Dental Clinic when requested.
10. Helping to promote good health, appearance and acceptability through regular dental visits.
11. Keeping accurate record of daily work, financial transactions and appointments.
12. Assisting the dentist in the Dental Clinic at the chair and transporting the children to and from the Dental Clinic.

Respectfully submitted

PHYLLIS D. LOVERING

Dental Hygienist

Report of the Board of Health Nurse

The beginning of 1959 found the Health team continuing the tuberculin testing of the Stoneham foodhandlers which began last October. The entire area had been notified and tested up to the summer months, (62 establishments and some 600 persons). However, this type program is one that apparently is never-ending due to the many part time jobs that are ever-changing. This will have to be an annual program in order to keep current and to afford the best protection for the employer, employees, and the community.

April of this year, we continued the tuberculin testing of all first and eleventh graders in Stoneham. Approximately 600 pupils were tested with 7 positive reactors, all of which were x-rayed. This program was carried out with the full cooperation of the Superintendent of Schools, the two Public School Nurses, and Doctor Leavitt with a team of four other doctors.

The three immunization clinics in the spring were very well attended, as many more parents are conscious of pre-school booster shots. Some 338 children attended.

Many hours are spent on record work and compiling statistical reports and summaries for our own community as well as the State Department of Public Health.

Often we are called upon to give Public Health tests to Boy Scouts earning Health Badges, or to help College students compile material for their theses, etc.

Many meetings and conferences are attended in order that we may keep current in all the many branches of Public Health, so we may better serve or share the information gathered with our community.

One week in June was spent at Simmons College under the State Department of Public Health where all the Massachusetts Public Health Nurses learned, shared, and explored matters regarding mental health. This one conference may possibly aid us and surrounding communities to establish a much needed Mental Health Clinic in the future.

St. Patrick's two schools now have twenty classes and some 900 children. It has doubled its enrollment in the past five years.

Dr. Henry Leavitt, as Board of Health and school physician gave physicals to twelve classes this year.

Once a month six children from the school attend the Dental Clinic at the Town Hall.

Miss Eleanor Chesley, Dental Hygienist, of the State Department of Public Health, finished her two year dental survey in November. Each class was given a dental talk and tooth brush drill. Notices of care needed, or a dental certificate, whichever the case may be, was sent to each parent on dental findings.

Drs. Edward Breagy and R. Bresnahan are to resume the survey in October, 1960.

As a result of the Speech Survey conducted by Emerson College, and financed by the St. Patrick's Mothers' Club, last year, some thirty children are seen by Miss Patricia Roberts, Speech Correctionist, once a week.

Vision and Hearing screening and re-testing, weight and measures, physicals, and the routine daily screening of the communicable or sick child and the follow up work, has been carried on with the invaluable assistance of Mrs. Dorcas Berry, R.N. and Mrs. Mildred Tufts. The latter replaced Mrs. Francis Houghton in the never ending clerical work, as of last April.

The Fall Immunization Clinic was started in September. However, this year the Board purchased "Tetravax" or the "4

in 1" shot. Those infants or children needing immunization against diphtheria, whooping cough, tetanus and polio attended. Total at these three clinics was roughly 280.

Mrs. Gertrude B. Mortensen, the Board of Health Clerk and Health Agent, and myself are forever willing and able to assist in securing appointments for chest x-rays, rheumatic fever, or heart check-ups, plastic surgery, or crippled children clinics, etc. We are ever on the alert to improve or expand our services as the community needs arise.

Respectfully submitted,

KATHERINE L. KENNY, R.N.,

Board of Health Nurse.

REPORT OF POLICE DEPARTMENT

January 28, 1960

To the Honorable Board of Selectmen

Town Hall

Stoneham, Massachusetts

Gentlemen:

I hereby submit, as Acting Captain of Police for the Town of Stoneham, the following report for the year ending December 31, 1959:

The regular members of the department are: Lieutenant William H. O'Toole, Sergeants Andrew J. Tuney, Robert H. Bradley, Bernard C. Vacon and John F. Matthews, Jr., Patrolmen George J. McDonough, George N. Savard, Walter R. Burns, Edward F. Geary, George R. O'Brien, Fabian S. Koprek, Robert D. O'Melia, George C. MacDonald, William F. McNulty, Dominic A. Lucci, Robert E. Moreira, Tony J. Asci, Edward P. McLaughlin, Francis F. Mahoney, Ernest A. Lucci, Stanley F. Konopacka, Henry C. MacKay, Jr., Edward J. Pinato, William E. Gorse, Jr., Gerald F. Mahoney, William F. Corcoran and William G. Joy. Clerk, Edward H. Proodian, Jr.

Reserve Patrolmen: Richard R. Burns, Robert F. Heustis, Thomas J. Murphy, Albert J. Duff, Jr., Robert M. Carlson, Raymond Blauvelt and Harold E. Balboni.

REPORT OF THE FIRE DEPARTMENT

The following report of the Fire Department for the year 1959 is respectfully submitted.

The personnel of the Fire Department consists of: one (1) Chief; three (3) Captains; three (3) Lieutenants; twenty-one (21) Privates; one (1) Mechanic; and two (2) Call Firefighters.

The department answered 612 alarms in the past year of which 74 were bell alarms, (25 of which were False); 21 mutual aid calls; 513 still alarms including 26 inhalator cases.

There were used at fires during the year 9850 feet of 2½ inch hose, 6,650 feet of 1½ inch hose, 42,570 feet of booster

hose, 4,370 feet of ladders, 180 pounds of CO₂ and two ansul extinguishers, twenty-four water extinguishers, 1980 cubic feet of Oxygen.

The amount of property endangered by fire was \$702,300.00.

The amount of property lost by fire was \$67,054.00.

The amount of insurance paid was \$61,829.00.

The net loss for the year was \$5,225.00.

During the year there were 68 complaints received which were investigated by the department, some of these with the cooperation of the State Fire Marshal's office and our local Building and Wire Inspector.

During the year 1959 many hours were spent on Fire Prevention which included the following:

Oil Burners, 127 Inspections.

L. P. Gas, 10 Inspections.

Boarding and Nursing Homes, 45 Inspections.

New England San. & Hospital, 5 Inspections.

Stores and Industrial, 201 Inspections.

Schools, 18 Inspections.

Churches, 14 Inspections.

Fire drills were conducted by the Department at regular intervals in all the public and private schools during the year.

During the past year the members of the department have drilled with the equipment at various times throughout the year to remain thoroughly familiar with the equipment and the use of it.

The motor equipment consists of two (2) 750 gallon Seagrave pumping engines with auxiliary pumps capable of delivering up to a thousand pound pressure for use as a fog. pump, a 750 gallon Seagrave pumping engine, a 100 gallon Seagrave pumping engine, a 200 gallon pumping engine, equipped with a 200 gallon booster tank, two 300 foot booster reels and 1500 feet of 1½ inch hose, a 65 foot Seagrave Junior Aerial ladder truck, a Chrysler Chief's car and an aerial equipped Ford service truck for Fire Alarm use.

I wish to call to your attention at this time that Engine 4, a 200 gallon pumping engine purchased in 1945, should be replaced in 1960.

The Fire Alarm system is in good condition and I recommend that the aerial wire running from Union Street to Elm Street, be installed in an underground conduit, in 1962.

I wish to express my thanks and appreciation to Mr. Donald J. Morrison, Supervisor of the Fire Department, and to the Board of Selectmen, for the cooperation shown by the Board in dealing with the problems of the Department.

In concluding this report, I wish to express my thanks and appreciation to the Police Department, the Building and Wire inspector, Bernard H. Corbett, and all other Town officials, department heads and the officers and members of the Fire Department and the citizens of the Town for their cooperation and assistance during the past year.

Respectfully submitted,
 William E. Crosby
 Chief of the Fire Department

REPORT OF SEALER OF WEIGHTS AND MEASURES

January 12, 1960

To the Board of Selectmen
 Gentlemen:

I hereby submit the Annual Report of the Sealer of Weights and Measures Department for the year ending December 31, 1959.

The weighing and measuring devices in the town are in excellent condition. Some new scales have been installed where needed and also several new gasoline measuring meters.

Two new oil companies are operating and their equipment has been tested and sealed.

The shed housing the town scales has been extensively repaired and some new planks laid in the scale platforms. The cover to the scale pit has also been replaced with a new and stouter one. The scale has been rebalanced and is now in proper condition.

Fees to the amount of \$182.35 have been collected and turned over to the Town Treasurer.

A summary of the work performed is attached.

Respectfully submitted,
 J. A. Forbes
 Sealer of Weights and Measures

Work Performed

Devices Tested	Adjusted	Sealed	Non Sealed	Condemned
Scales—over 10,000 lbs.	2	4	0	0
Scales—100 to 5,000 lbs.	2	8	0	0
Scales—under 100 lbs.	17	78	0	0

1	School Addition	161,000.00
9	Business Establishments	151,976.00
3	Miscellaneous	900.00
		<hr/>
Total Estimated Value		\$1,323,984.00

Respectfully submitted
BERNARD H. CORBETT
Building and Wire Inspector

REPORT OF THE BOARD OF PUBLIC WORKS

To the Citizens of Stoneham:

The Board of Public Works, meeting March 9, 1959 organized for the year as follows: John E. Finnegan, Chairman of the Board, with members Cornelius J. Sweeney and John E. Shaughnessy. Mr. Sweeney was re-elected to the Board March 9, 1959 for a three year term. Miss Geraldine O'Grady was appointed Clerk of the Board and Mr. Edwin D. Callahan was appointed Superintendent of Public Works.

This report concludes the third year of existence of the Board of Public Works. The Board has stressed planned programs with respect to various needs of the Town and now feels this effort has materialized. This year for example, the Board installed twelve inch water pipe throughout the Wakefield Park section of Stoneham. This work was a continuation of the water pipe installed over the past two years in MacArthur Road. A new twelve inch water main was also installed in the majority of Perkins Street, the intent of the Board being to complete this construction this coming year. A sizeable section of the north-easterly section of the Town has had sewer lines installed this year, this work a direct result of the previous installation of sewer pipe through land of Bear Hill Associates.

With the completion of the sewerage pumping station presently being constructed to the east of Green Street, the Board feels this year will see Sewer facilities made available for the Spring Street area.

The section of Sweetwater Brook, mentioned in last year's report, from Oak Street to William Street, has now been piped off. This work is done by the Division of Waterways, Commonwealth of Massachusetts, with the Town paying one half the cost, the State the other half, which, of course, represents a sizeable saving for the Town.

During the year, the Town appropriated necessary funds for the continued piping off of Sweetwater Brook, from William Street to Lindenwood Road and from Oak Street a distance of approximately five hundred feet easterly. The Board of Public Works has petitioned the State to do this work as soon as possible. At the time of this writing, the State has begun the surveying work and it is our hope, dependent on the completion of the engineering and the procurement of the necessary easements, this work will be done in the near future.

The Recreation Committee, appointed by the Board of Public Works, has continued to do an excellent job in planning the

recreation program of the Town. This committee consists of the following members: Howard W. Seabury, Chairman; Ralph A. Williams, Dyer E. Carroll, Stewart E. Blier and Karl P. Elerin.

In conclusion we respectfully direct your attention to the report of the Superintendent of Public Works for a more complete report of the functions of the various divisions of the Public Works Department.

We would also like to take this opportunity to thank the Clerk of the Board, Miss Geraldine O'Grady, and the Superintendent of Public Works, Mr. Edwin D. Callahan, for their assistance and aid throughout the year.

We would also like to express our appreciation for the fine cooperation we have received over the past year from many Boards, from the people of the Town of Stoneham, and from the Personnel of the Public Works Department.

Respectfully submitted

JOHN E. FINNEGAN, Chairman

CORNELIUS J. SWEENEY

JOHN E. SHAUGHNESSY

Report of Superintendent of Public Works

To the Board of Public Works
Gentlemen:

The report of the Superintendent of the Public Works Department for the year 1959 is hereby submitted. This report is broken down into the various divisions and appropriations of the Department — the intent being to give as clear a picture as possible of the functions and accomplishments over the past year. The Department consists of six basic divisions: these divisions being Highway, Water, Sewer, Park, Tree and Cemetery. The divisions are supplemented by the physical properties throughout the town, which are maintained by the Department; these properties consisting of sewer pumping stations, the dump site, a gravel pit, the Stevens Street Yard and the Pine Street Yard and buildings.

The various divisions listed above function in such a manner administratively that interchange of personnel and equipment takes place frequently for the over-all efficiency of the Department. It should be kept in mind, however, that all these respective divisions represent in themselves vital parts of the department's responsibilities, and progress should never be sought in any one division at the cost of another. The growth of the town

in recent years with the resulting addition to the work load of the department can, to a considerable degree, be met through the use of labor-saving machinery, and proper planning, supplemented by the ability to interchange personnel and equipment as the need arises. As mentioned in previous reports, the consolidation brought about through the establishment of the Board of Public Works of what were previously independent departments has aided greatly in this matter. The policy of performing more maintenance work in established sections of the town has been maintained. This is mandatory as existing streets, sidewalks, water and sewer distribution systems represent a very sizeable investment which can only be protected through proper maintenance.

A large section of the northeasterly portion of the Town has had sewers installed in the various streets during the past year. This extension of the sewer system was made possible by the work finished in 1958, when the Department installed some 1900 feet of sewer pipe through property of Bear Hill Associates. The sewerage pumping station being constructed to the east of Green Street will be completed this coming year, providing sewerage facilities to a wide area including the Spring Street section. This will eventually develop into one interlocking system, utilizing a new entry into the M.D.C. System, which should aid greatly, from the viewpoint of cost, in maintaining this system in years to come.

This year also brought to a climax the three-year water construction program to aid the water supply in the Wakefield Park section of Stoneham. In the Perkins Street area, some 2200 feet of 12 inch water pipe has been installed, replacing the old undersized water main which dated back to the turn of the century. This work was done in late fall and early winter and is scheduled to be completed this coming year. A portion of this street is proposed to be reconstructed during 1960 under Chapter 90. An additional reason for completing this work is, of course, to prevent any unnecessary ripping up of a newly constructed road.

The new ice rink at Recreation Park is now completed and we feel that this, coupled with previous work on the baseball diamond and football field, gives the Town excellent recreational facilities. Some 464 feet of drain pipe have been installed at Recreation Park through land recently acquired from the B. & M. Railroad, thus opening up this area for additional recreation facilities.

The Department also revised construction specifications for

sub-divisions pertaining to all developments to be constructed in the Town in the future. These specifications and recommendations were accepted by the Stoneham Planning Board and are now in effect. I would like to thank this Board, under the Chairmanship of Mr. Thomas Leahy, for their leadership and cooperation in this and similar matters.

There follows below a brief breakdown of the various functions of the Department and the work accomplished in the year 1959.

Highways

Maintenance work done on existing roads consisting of 2.20 miles of armor coat and 2.18 miles of tar and sand. There was also 3,654 feet of hot top laid, the majority of this hot top work was made possible by Chapter 718 of the Acts of 1956. Of particular interest here is Stevens Street. This road was completely repaved from Franklin Street through to Spring Street. This program of constant-planned road maintenance has resulted in reducing to a minimum the constant need for such maintenance as filling pot holes, broken gutters, etc. The Department also installed some 1,810 feet of drain pipe of varying size, plus twenty drainage structures in areas throughout the Town.

The Town drainage system is included in the highway division. Constant cleaning of catch basins and drain pipes, where necessary, was continued throughout the year. All danger spots were checked regularly in an attempt to prevent any flooding due to blockage of pipes. Particular emphasis was put on keeping the brooks open during heavy storms. During non-working hours this is accomplished by two men who go out immediately during a heavy rain and check all culverts. With more and more homes being constructed in Stoneham, it is necessary that every effort be made to keep the brooks open, and thus the danger of flooding is kept to a minimum.

Tar Sidewalks

The funds necessary for the maintenance of these walks are derived through an article inserted in the warrant yearly for this purpose. During the year 1959, 6650 feet of existing walks were resurfaced on 14 different streets.

Street Construction

Webster Court and a section of Joan Avenue, accepted at the 1959 Annual Town Meeting, were constructed this year. The old water line servicing Webster Court was replaced with a new cast iron main prior to construction, thus taking all precautions possible against tearing up a new road.

Properties

All buildings and properties of the Public Works Department are, for the most part, maintained by our own personnel. The interiors of the two functioning sewer pumping stations were painted — garage doors at the Pine Street Yard were painted and all properties were constantly maintained. This coming year will see the completion of the new garage at the Pine Street yard, and the rental payments previously necessary for garage space for the Tree and Park divisions will be eliminated.

Chapter 90 — Maintenance

The \$4,500 available for this work was used on hot-topping Elm Street from the Wakefield line to a point approximately 110' easterly of Washington Street. The actual cost of this work to the town was \$1,500, with the State and County contributing the remaining two-thirds. We intend to continue in the future this program of hot-topping Chapter 90 streets where reconstruction is not merited.

Chapter 90 — Reconstruction

This year saw the completion of the reconstruction of Franklin Street from Pearl Street to Stoneham Square, a distance of approximately 1200'. We are very pleased to state that curbstone was installed where needed, and the net result has been continuous curbstone throughout this section. The installation of curbstone aids considerably in the maintenance of gutters, in the ability to keep a clean street and in the appearance of a section. This work is done under the control of the Mass. Dept. of Public Works, the contract this year having been awarded to S. Rotondi and Sons Co. Under this appropriation, the town pays only twenty-five percent, the remaining seventy-five percent is paid for by the state and county.

Guard Rails and Barriers

Necessary repairs were made on fences or barriers which needed attention. Inspection is made yearly and repairs are made where needed.

Water Services

During the year fifty-two new services were installed bringing the total of active services in the town to 4,447. There were also fifty-nine relays laid, a relay consisting of replacing an old service pipe with new copper tubing. During the winter of 1959, at a time when the frost depth in the ground was three feet, only two service freeze-ups took place; this condition being now remedied. The number of new services installed, which of course is indicative of new construction, it is interesting to

note, is approximately half of what were installed the past two years. Upon application, sprinkler services are installed for fire-protection services to commercial buildings. All water services are supplied with meters.

Sewer Services

This year saw the addition of seventy-five sewer services — up some forty-eight from last year's figure. This is the direct result of the extension of the town's sewer system. We now have a total of 3,142 active sewer services in the town. The completion of the sewerage pumping station this coming year, with the resultant extension of the system, should again show a sharp increase in sewer services in 1960. In the case of new home construction, it has been the policy of the Board of Health to require that sewer lines be extended wherever possible. There are, unfortunately, areas of the town where there are no sewerage facilities available. The cost of the sewer service is paid for by the applicant and, once installed, is maintained by the town.

Snow and Ice

The total accumulation of snow for the winter season was approximately 48" in Stoneham. Plowing and sanding operations took place whenever weather conditions merited these operations. As mentioned previously, the replacement of old equipment over the past few years on the part of the townspeople aided greatly in combating these weather conditions. We realize the winter season is a difficult one on motorists and pedestrians alike and will do our best to remedy snow and ice conditions as fast as possible.

Sewer Construction for 1959

The Department is very pleased to state that a sizeable portion of the northeasterly section of the Town has been provided with sewer facilities, as previously mentioned in this report. The sewerage pumping station being constructed to the east of Green Street will be completed this coming year and will then provide sewer to the Spring Street area. The Town now has a total of 35.38 miles of sewer main. The sewer mains constructed for the year 1959 are as follows:

1. MacArthur Road — 977 feet — Greenview to Broadway
2. Hillside Avenue — 870 feet
3. High Street — 1077 feet — Marshall Road to Broadway
4. Katherine Road (Ext.) — 148 feet
5. Northgate Road — 101 feet
6. Broadway — 217 feet — from High Street Westerly
7. Mt. Vernon Street — 316 feet

8. Prospect Street — 129 feet
9. Collincote Street — 224 feet
10. Cedar Avenue — 181 feet

Water Construction

As mentioned in previous reports, the Department has been following a planned program for improving the Town's water distribution system. This program has concentrated on specific areas where the present pipe is inadequate, resulting in insufficient supply and poor pressure. We are pleased to report that in the Wakefield Park area, new water pipe has been installed, completing this three year program. Also, as mentioned in the beginning of this report, some 2200 feet of 12 inch pipe has been installed in Perkins Street, a project we intend to complete this coming year, a list of water mains installed by the Public Works Department during the year is as follows:

1. Park Avenue — 702 feet
2. Converse Street — 354 feet
3. Bellevue Road — 1005 feet
4. Morrison Avenue — 356 feet
5. Greystone Road — 80 feet
6. Webster Court — 285 feet
7. Bear Hill Road — 65 feet
8. Perkins Street — 2206 feet

Supplementing the above, following is a list of water mains installed by the various developers, under the supervision of the Public Works Engineering Division:

1. Marie Avenue — 522 feet
2. Main Street (Colonial Arms) — 582 feet
3. Randolph Road — 637 feet

The complete total of the above represents an addition of 1.29 miles to the town's water distribution system during the year 1959. Valves were installed at all intersecting streets, when needed to provide cross feeds for the area. Hydrants were installed wherever requested by the Fire Department. We again would like to thank Chief Crosby for his suggestions in improving the water distribution system of the town.

Sidewalk and Curbstone Construction

During the past year, new hot top sidewalks were constructed in six locations, granite curbstone was installed in twelve locations and new granolithic sidewalks were constructed in fourteen locations. Under this appropriation, the above walks were constructed at the request of the applicant. The applicant pays one-half the cost and the town pays one-half the cost. The amount of funds available to this department directly controls

the amount of work that can be done in any one year. At the present time, based on the list of applicants, it takes a period of approximately one year from the date of application before this work can be done.

Water Maintenance

Under this heading lies a responsibility for the water distribution system, plus the 4,447 water services running into various dwellings. The necessity for good maintenance of the system can be clearly understood by everyone. The job of computing and then billing each individual service for the amount of water used is performed by our billing department. The amount of water used is measured by individual meters installed in all services.

Sewer Maintenance

There are approximately 35.38 miles of sewer main now in use which is maintained by this department. In addition to this there are 3,142 active sewer services maintained under this appropriation. The majority of the mains are rodded and flushed annually to prevent blocking and insure maximum efficiency.

A constant problem is that of roots growing from trees and shrubs which work their way into the pipes and, in such cases, a cutter is used to eliminate this obstruction. Two pumping stations are maintained under this appropriation. These stations are checked daily as the danger of mechanical failure of the pumps is always with us. During the last year the interiors of the two stations were painted.

We would like to take this opportunity to request the people of the town to refrain from inserting rags or similar debris into their house sewerage system, which can and does create serious blocking of sewer lines.

Street Signs and Beacons

Again this year, a survey was made in the early spring of the condition of the street signs, traffic signs and traffic light standards. This survey determines the signs and standards in need of repair and paint and its recommendations are now being followed. The sign shop installed in the cemetery Division of the Public Works Department has been effective in doing this work. During the year 1959, approximately 8.46 miles of white center lines were put on various roads throughout the town. These white traffic lines are an excellent safety measure and it is our intent to use them as much as possible.

Engineering

The Engineering Division, functioning under the Town Engineer, has many varied responsibilities throughout the year.

(a) Preliminary survey and layout and assessment estimate

A brief summary of their duties follows:

1. Sewers and Drains
 - (a) Preliminary survey and design
 - (b) Drafting of Plan and Layout
 - (c) Construction line and grade
 - (d) Record survey and plan
 - (e) Record of ties to all services
2. Highways
 - (b) Design and drafting of plan
 - (c) Construction of line and grade
 - (d) Computation of actual assessment cost
3. Water Distribution
 - (a) Design and layout
 - (b) Record dimensions to gates and tees
 - (c) Construction line and grade
 - (d) Computation of actual assessment cost
4. Easement Surveys
 - (a) Drawing up of necessary plans showing easement
5. Construction
 - (a) Inspection of work being done in developments. This includes the inspection of water system, drainage system, of road construction, the laying of road surface, etc.
6. Miscellaneous
 - (a) Establishment of street lines for various departments and individuals
 - (b) Inspection of houses before blasting
 - (c) Surveys for stop signs and accidents including the drafting of a plan
 - (d) Final costs of all projects
 - (e) Recommendation of bond required to Planning Board
 - (f) Estimates for Board of Public Works concerning streets, sidewalks, sewer, water, and drain projects

Administrative Staff

The main function of the office staff is to route all business for the Public Works Department into the correct channels which has a direct bearing on the overall efficiency. Considering that this business concerns the functions of water, sewer, highway, park, tree and cemetery divisions in a town of approxi-

mately 17,500 people, some ideas of the demands upon the administrative staff is gained. This work consists of preparing contracts, computing weekly payrolls, computing and mailing of approximately 8,900 water bills yearly, purchasing of necessary materials, maintaining various cost records and maintaining personnel records of Public Works employees. Other functions are of such a nature that they must be routed to the men responsible for the work: for example, requests to read meters, to shut off water, to relieve sewer plugs, requests for sanding, requests concerning tree problems, etc. The administrative staff actually functions as the nerve center of the entire organization.

Road Machinery

The Board of Public Works, authorized under the following articles of the 1959 Annual Town Meeting, selected the following equipment:

Article 39 — Purchased a Load-Packer Body

Article 40 — Purchased a one-half ton Ford pick-up truck
Purchased a Chevrolet sedan

Article 42 — Purchased a Baugham sand body
Purchased a Flexible Power sewer Cleaning machine

Road Machinery Maintenance

The mechanical equipment of the Public Works Department is maintained by our maintenance crew. The maintenance crew is directly responsible for the upkeep of all vehicles and equipment which includes such units as a grader, bulldozer, mechanical shovel, road roller, snow loader and trucks of varying sizes. This ability to do our own major repair work is strongly reflected in lack of time lost and monetary savings.

Repair of equipment is continual and periodic greasing and oil changing is carried on through the year. The additional equipment of what was formerly the Park, Tree and Cemetery Departments is now, of course, maintained by our maintenance crew.

Rubbish Disposal

The importance of this service can be felt by all residents of the community because it comes in direct contact with them. At the present time, two trucks referred to as Loadpackers are employed in this operation. The addition of new homes to the community has the instantaneous effect of increasing the work load in this department. Since 1946, there have been approximately 1,681 new homes built in the town. The new Load-packer body, voted at the 1959 Annual Town Meeting, has so

aided us that no addition of personnel to the ash crews has been needed. This body is a more efficient mechanism and larger than the old 1945 model. It should be pointed out that, as the town expands, new machinery will be one of the main factors in keeping up with the demands. Considering the technical advancements made in the design of machinery over recent years, even though a capital outlay is necessitated, modern machinery is still a good deal cheaper than additional personnel using antiquated methods.

The Public Works Department also maintains a dump site at the end of Spring Lane which is open six days a week for the convenience of the people. This site is leveled and compacted approximately once a week by the Public Works Department bulldozer, under the guidance of the Dump Master, who is employed full time in this capacity. The problem of an additional dump site is now being faced by many abutting towns and this problem will come up in the very near future in Stoneham.

We would like to thank Fire Chief Crosby for his advice and aid in assisting us in keeping the problem of fire in the dump site at a minimum.

Cemetery Division

This division of the Public Works Department is responsible for the maintenance of Lindenwood Cemetery. This cemetery consists of approximately thirty acres and must be constantly mowed and kept in good condition. During the year a good deal of fill was brought into a portion of the westerly section of the cemetery, thus taking the initial step in the preparation of this area for additional grave sites. Following the program initiated a year ago, an additional section of the existing roads running through Lindenwood Cemetery were covered with a layer of hot top this past summer. It is our intent to continue this road-surfacing program in the future, thus keeping maintenance time on these roads to a minimum and improving the overall appearance of the cemetery. The Sign Shop installed in the Lindenwood building last year has aided greatly in the maintenance of all signs in the town. This work is being done by the personnel of the cemetery division during the winter months. In the case of snow conditions, the cemetery truck is available for plowing throughout the town. The cemetery division also aided from time to time in the job of removing debris collected from various culverts during extreme rains.

There were fifty-six interments at Lindenwood Cemetery during the year 1959. For a list of the receipts during the year

1959, your attention is respectfully directed to the report of the Town Accountant.

Park Division

At the present time the Town of Stoneham has the following areas available for recreation purposes throughout the town:

1. Recreation Park
2. Pomeworth Upper Field
3. Little League Park
4. Robin Hood Playground and Little League Field
5. Steele Playground
6. A. P. Rounds Playground
7. Colonial Park Playground
8. South School Playground
9. East School Playground

The chief purpose of the Park Division is the maintenance of the above listed fields. Supplementing the above, the Park Division also maintained the following during the year 1959:

1. Planted flowers in and maintained twelve triangles throughout the town.
2. Maintained the Town Hall grounds, including installation of Christmas decorations
3. Planted flowers and maintained shrubbery at the Library

During the year, the baseball diamond at Little League Field was rebuilt and many favorable comments were received resulting from this work. Work was also started on the Pomeworth Street Field, and it is our intent in the future to improve the physical layout of this field as much as possible. With funds received under Article 38 of the 1959 Annual Town Meeting, the ice rink was also completely rebuilt. A small rink is also maintained for the little tots.

The demands on the Park Division are such that from time to time the need for additional personnel develops, and by interchange of personnel when needed, this demand can be satisfied at a minimum expense. In the case of snow conditions, the Park Division equipment is utilized as much as possible for plowing purposes.

Sidewalk Maintenance

The money raised under this appropriation is used in the maintenance of all types of existing sidewalks throughout the town. The walks present a constant maintenance problem. Sidewalk blocks are lifted by tree roots — gravel walks on steep hills are perpetually gouged out — the wearing surfaces of hot top and concrete deteriorate with age, etc.

Tree Division

The main problem facing the Tree Division continues to

be the spread of the Dutch elm disease. Through proper preventive methods the Tree Division has been able to maintain reasonable control of this disease in the town. The disease is such, however, that no definite cure has been developed as yet.

During the year, eighty-five trees were removed and a total of one hundred and eighty-two trees were planted.

Wherever possible, today's new trees are planted on private property, which prevents any future heaving of the gutter area. These trees are planted roughly five feet back from the sidewalk, which also has the tendency to provide more room for the trees to breathe. When any elm is suspected of having contacted the Dutch Elm Disease a sample is sent to the University of Massachusetts. The University of Massachusetts notifies the town as to whether or not this tree has the Dutch Elm disease.

At the present time the town's gravel pit is used as the area for brush disposal. A bulldozer is sent to the gravel pit when needed; brush is piled up and burned by the personnel of the Tree and Moth Division.

The Tree Division has aided in the plowing and sanding operation throughout the town and has also assisted both the Park and Cemetery Divisions in times of extreme needs.

The above concludes the resume of the various functions of the Public Works Department.

During the year 1959, the following member of the Public Works Department retired: Mr. Patrick F. Jordan. We would like to take this opportunity to thank Mr. Jordan for faithful service over the past years.

The above concludes my report for the year 1959, and I feel that this third year of operation under the Board of Public Works has served the best interests of the town.

I would like to thank all those who have aided me in many ways throughout the past year, and in particular the Board of Public Works, whose cooperation at all times has been excellent.

I also extend my appreciation to the personnel of the Public Works Department for their full cooperation under many and varied conditions.

My appreciation also to the Recreation Committee, the heads of other departments in the town and their personnel, and the various boards staffed by citizens who many times put in long hours in an effort to improve the town functions.

Respectfully submitted
EDWIN D. CALLAHAN
Superintendent of Public Works

REPORT OF BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1959.

Following the Annual Town Election, the Board held its first meeting on March 5, 1959, and was organized as follows:

Michael J. Rolli, Chairman; Donald J. Morrison, Secretary; Alton W. Estes, Clerk.

At this meeting it was unanimously voted that the Board of Public Welfare act as members of the Bureau of Old Age Assistance for the ensuing year and this Board was organized as follows:

Donald J. Morrison, Chairman; Alton W. Estes, Secretary; Michael J. Rolli, Clerk.

It was also unanimously voted to make the following appointments:

Paul E. Houghton, Agent; Paul E. Houghton, Supervisor of Old Age Assistance; Thomas M. Hurley, Superintendent of the Town Infirmary; Gertrude A. Hurley, Matron of Town Infirmary.

Meetings of the Board continued to be held on the first and third Thursdays of each month, at which time all policies and activities of the Department were discussed and acted upon.

The office was open daily, Monday through Friday, from 8:30 A.M. to 12:00 Noon and 1:00 to 5:00 P.M.

Any citizen, or client of the department was given the opportunity to appear personally or to be represented at the Board Meetings for information or to register complaints.

The department personnel continued to consist of an Agent, two Social Workers, a Senior Clerk and a Junior Clerk.

All four categories of assistance are handled by this staff and each member is under Civil Service as required by law.

The Federal Government reimburses the town between forty and fifty per cent of the Salaries and Expenses of this office. The Commonwealth of Massachusetts also reimburses the town for twenty-five per cent of the Salaries and Expenses of the Disability Assistance Program.

The Federal Government and Commonwealth also reimburse the town for approximately eighty-four per cent of Old Age Assistance, seventy-three per cent of Aid to Dependent Children and seventy-five per cent of the Disability Assistance Program.

Receipts from the Federal Government are placed in a separate fund and are used only by the Welfare Department.

These funds are used in figuring our annual appropriation and our requests from the town are reduced accordingly.

Effective as of June 29, 1959, in accordance with the provisions of Chapter 141 of the Acts of 1959, the Welfare Agent's Title was changed to Director of Public Assistance.

On November 30, 1959, Mr. and Mrs. Thomas M. Hurley retired as Superintendent and Matron of the Town Infirmary.

The Board unanimously voted to appoint Mr. and Mrs. Charles J. Meehan as Superintendent and Matron of the Infirmary effective as of December 1st.

General Relief

The General Relief Case Load was slightly higher in 1959 than in 1958 and our expenditures were \$17,953.55 which was \$1466.80 more in 1959 than in 1958. However, we are returning an unexpended balance of \$4046.45 to the Town. The principal reason for the slight increase was due to unemployment of the wage earner of the family.

The following schedules show the activity of General Relief during the year.

Comparison of Outside Relief Cases Aided, 1958-1959

	Cases Persons		Cases Persons	
	1958		1959	
January	9	11	13	21

Aid to Dependent Children

This category of assistance continued to fluctuate considerably during 1959 which is consistent with other years. As of December 31, we were aiding twenty-four cases at a cost of \$4000.00 monthly. This is an increase of two cases over 1958 and a slight increase of \$30.00 cash monthly over 1958. We are returning an unexpended balance of \$3987.16 to the town.

This category of assistance continued to fluctuate considerably during the year:

----------------------------------	-------------	-------------

Net Cost to Town		<hr/> \$11,896.90
------------------	--	-------------------

Disability Assistance

This is a Federal-State-Town participating form of relief which is given to permanently disabled persons, 18 years of age and over. We now have 12 cases on the rolls which cost approximately \$1200.00 monthly. Our case load has increased one case during the year 1959.

Hospitalization in this type of assistance may in any given year be extraordinarily heavy and 1959 was the year. As the citizens are aware, hospital costs have steadily increased from year to year and 1959 was no exception. We expended \$4673.60 more in 1959 than 1958, principally due to hospital charges but our receipts from the Federal Government and Commonwealth were \$3839.03 more than in 1958.

The following Schedules show the activity of this category of assistance during the year:

Analysis of Case Load

Cases pending January 1, 1959	0
Cases being aided January 1, 1959	11
Cases received during 1959	11
	—

Old Age Assistance

This category of assistance, as usual, was very active during the year 1959. A detailed report of Old Age Assistance will be found in the Report of the Bureau of Old Age Assistance.

Helen Stockwell Fund

This fund was created and set up many years ago by the

late Helen Stockwell. The income from this fund is used for hospital care for any needy resident of Stoneham who is not receiving relief through the Welfare Department.

The Trust Fund is held and administered by the Boston Safe Deposit and Trust Company and the Welfare Department designates who is eligible for benefits. The Welfare Department investigates all cases and approves all bills, which are paid directly by the Boston Safe Deposit and Trust Company. This fund is set up to be used only in a Stoneham Hospital of which we have one, The New England Sanitarium and Hospital.

On May 19, of each year the unexpended balance is turned back into the principal and the income from this fund amounts to approximately \$5,000.00 per year.

Requests for use of this fund in 1959 were unusually low but hospital costs were higher. In 1958, we expended \$5,088.20 whereas in 1959 we only expended \$1,497.19.

Cases Aided By Helen Stockwell Fund

Cases	Cause of Hospitalization	Hospital days	Cost
1	Shock	24	\$373.89
2	Cancer	20	782.80
1	Nephritis	27	270.00
1	Back Injury	16	70.50

To the Board of Public Welfare
Stoneham, Massachusetts
Gentlemen:

We herewith submit the twenty-ninth annual report of the Bureau of Old Age Assistance. This report is for the year 1959.

The Bureau met on March 5, 1959, and organized as follows:

Donald J. Morrison, Chairman; Alton W. Estes, Secretary; and Michael J. Rolli, Clerk.

At this meeting the Bureau voted to appoint Paul E. Houghton as Supervisor of the Bureau of Old Age Assistance.

The Bureau held meetings on the first and third Thursday of each month during the year.

All applications for assistance and reinvestigations are considered and acted upon at these meetings and any other business necessary for the carrying out of this program is discussed.

During the year, at least two home visits were made to all recipients and many additional calls were made to adjust grants and discuss problems of the recipients.

Cost of medical care in this category of assistance continues to be a major item of expense. This item is now exceeding the total cost of our monthly grants to recipients.

The following schedules show the activity and financial status of this category of assistance.

Infirmary Report

To The Board of Public Welfare:

Gentlemen:

We herewith submit our Annual Report for the year ending December 31, 1959.

Number of patients cared for during 1959	28
Number cared for as of December 31, 1959	17
Paying boarders (full or partial) 1959	9
Number of patient days	6256

Due to chronic illness and senility our patients require constant care and supervision 24 hours a day. There is an attendant on duty 24 hours a day and the Superintendent and Matron are on call at all times.

It was necessary in 1959 to paint the exterior of the main building and make other repairs connected with the painting. Sections of the interior were also freshly painted and wall-papered.

We continue to have four cows that furnished the complete household with fresh milk daily. The vegetable garden yield was not as abundant as the previous year but was sufficient for our tables.

The home was inspected at different intervals during the year from a public health, welfare and safety standpoint. It was inspected by the State Department of Public Safety, State Department of Public Health, the local Board of Health, the local wire inspector and the local fire department. The subsequent reports were most satisfying and gratifying.

The undersigned retired effective as of December 1, 1959, due to age and health reasons and every cooperation was extended to the newly appointed Superintendent and Matron. We extend to them our sincere wishes for continued success in this very worthy project.

We also wish to extend our sincere thanks to all the townspeople for their generosity and kindness to our patients during the past year. The Police Department have been exceptionally prompt and efficient in transporting our patients to and from the hospitals. The clergy, doctors, church and civic organizations deserve no end of praise.

We extend our thanks to all our personnel for their faithful service to our patients.

THOMAS M. HURLEY, Superintendent
GERTRUDE A. HURLEY, Matron

Plumbing Inspector

ANNUAL REPORT OF THE STONEHAM HOUSING AUTHORITY

Honorable Board of Selectmen

Stoneham, Massachusetts

In compliance with the General Laws of the Commonwealth of Massachusetts, the Stoneham Housing Authority hereby submits its annual report for the year ending December 31, 1959.

The Authority organized as prescribed by the General Laws of the Commonwealth of Massachusetts and has functioned continually as a body politic and a corporate entity since its creation by unanimous vote of a Town Meeting on March 24, 1946. The

Authority is a body entirely separate from the Town of Stoneham and the Commonwealth of Massachusetts.

The annual meeting of the Authority was held as directed by its by-laws on Wednesday, April 8, 1959. The following officers were elected for the ensuing year:

Edward F. McNevin, Chairman; Donald A. Lawson, Vice Chairman; William A. Curran, Treasurer; Bernard C. Vacon, Assistant Treasurer; Attorney John E. Finnegan, Executive Director and Counsel.

At the annual town election in March, 1959, Messrs. Bernard Vacon and Lawrence F. Hurley were elected as members of the Authority.

The Authority owns three separate projects. Two are Veterans Projects and the third is Housing for the Elderly.

The Veterans Projects total 72 units housed in 24 buildings. There are 12 quadruplex houses and 12 duplex houses for Veterans. The Housing for the Elderly consists of 29 units in 3 buildings of row houses.

The first Veterans Project of 48 units was completed and occupied on June 1, 1950. The second Veterans Project of 24 units was completed and occupied on September 1, 1951.

The Housing for the Elderly Project consisting of 29 units was completed and occupied on December 1, 1957. These units, although compact, consist of three rooms and a bathroom. There are 21 single units and 8 double units for two persons. The size of the apartment does not affect the rental charges which are \$43.00 minimum and \$49.00 maximum with hot-cold water and heat provided by the Authority in the Housing for the Elderly.

The Veterans Projects consist of two and three bedroom apartments and the size of the apartment does not affect the rental charge. Average rents at the Veterans Projects are \$46.60 per month including water provided by the Authority.

All tenants are separately metered and pay their own electric charges. All apartments are all-electric.

The Authority provides an electric stove and refrigerator for all tenants. Veterans apartments have individual heating systems and oil fuel is provided by each tenant at his own expense.

In May 1959, with the approval of the State Housing Board, the Authority raised the Admission Limit of Salary to range from \$4,500.00 per year for families with one child to \$4,900.00 per year with three or more minor dependents. The continued occupancy limits were raised from \$5,000.00 with one minor

dependent to \$5,400.00 with three or more minor dependents. This was necessary due to inflationary economic conditions.

The entire Veterans Project has had aluminum screen and storm doors installed in front and back doors during 1959.

The Projects are inspected, inside and outside, twice annually by the Authority.

The members of the Authority and the Executive Director wish to thank the tenants and the various departments and officials of the Town of Stoneham for their cooperation and help extended to us in 1959.

The Authority made payment to the Town of Stoneham of \$5,183.00 in lieu of taxes for the year 1959.

The Stoneham Projects are considered by the State Housing Board as among the finest in the Commonwealth both as to Administration and as to fiscal matters.

Respectfully submitted,
Edward F. McNevin, Chairman
Stoneham Housing Authority

January 14, 1960

REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen:

The 4th Annual Report is herewith presented.

Every year it is the duty of the Personnel Board, under Section 6 of the By-laws, to review all Salary and Wage rates and Classifications and to recommend to the Town any action which it deems necessary to maintain a fair and equitable plan. Under the rules of procedure set up by the Board, letters were written about the 1st of September to all department heads to invite them to appear before the Board to discuss any contemplated changes or adjustments in the Wage and Salary Plan.

The Board has made plans to publish in February 1960, for Town Meeting reference, a Report to the Townspeople, including the By-laws as amended the Salary and Wage Schedule as proposed and the reasons for the proposal. Every year a great many new people come to Stoneham and there are many changes on Boards and Committees, hence it is important that all understand what the Plan is and what it accomplishes.

In May 1959 a new member, Mr. John F. Hamilton, was appointed to fill the vacancy of Mr. Arthur Chapman, whose term expired May 1st, 1959. Mr. Chapman was appointed to the Wage and Study Committee November 5, 1952. This committee held 64 meetings of which Mr. Chapman attended 62.

April 5, 1955 the Personnel Board was established and he was appointed to the Board for a 4 year term and at the first meeting of this Board he was elected Secretary, an office he held until the expiration of his term of office. From April 5, 1955 to April 28, 1959 the Personnel Board held a total of 150 meetings of which Mr. Chapman attended 137. In the 6 years 5 months, he attended a total of 199 out of 214 meetings in regard to salaries and wages. The Personnel Board wishes to again commend him on his sincerity in this work.

At the May 12th meeting, Mr. Hyer was re-elected Chairman and Mr. Noyes was elected Secretary for the 59-60 year.

December 1st, Mr. Harrison Hyer, Chairman of the Board, tendered his resignation, due to ill health, and once again the Board lost a member who had worked just as conscientiously as Mr. Chapman. Mr. Hyer was also an original appointee to the Wage and Study Committee and was appointed to a five year term in 1955. When the Personnel Board was organized at the first meeting he was elected chairman by the Board and held this office until his resignation. His term would have expired May 1, 1960.

Mr. David Ciciarella was appointed to fill this unexpired term of Mr. Hyer.

Also in December, Mr. John F. Hamilton was forced to resign because his business made it impossible for him to attend the meetings. Mr. James E. Lowthers was appointed to fill this vacancy, the term to expire May 1st, 1964.

As yet the chairman's office has not been filled and Mr. Noyes has been Acting Chairman as well as Secretary during the interim.

Much study has been done and because of the comparative wages in industry and the salaries and wages for similar classifications in Towns of population and area comparable to Stoneham, the Board is recommending salary increases for Town employees for 1960.

Respectfully submitted
David Ciciarella, '60
Nicholas Messina, '61
Frank R. Noyes, '62
Edith M. Cook, '63
James E. Lowthers, '64

All grades, 7:00 a.m.

Grades 1-6, 7:15 a.m.

Radio broadcasts will be made on
WBZ, WEEL, WHDH, and WNAC.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Stoneham:

The sixty-ninth annual report of the Superintendent of Public Schools to your School Committee is submitted to you herewith.

This has been another extremely busy year for the School Committee. It has become necessary to hold two regular meetings each month, plus extra meetings as problems arose that required immediate action.

During the past year we lost by death the services of one of our members, Mr. Earle T. Thibodeau, for thirty-seven years a beloved and respected teacher at the Stoneham High School, and for four years a devoted member of the School Committee. The vacancy will be filled at the election in March, 1960.

The services of the schools and the school plant itself are being used by more and more people in the community. Examples of this increased service to the public include an expanded adult education evening program, a successful, self-supporting summer school program at no cost to the taxpayers, and a constant use of the schools in the afternoons or evenings by youth and adult groups of the community.

Your Committee is still confronted with the problem of rising costs of operation. School costs, like everything else, have continued to climb. As a result of increased enrolment, increased cost of almost everything that we buy, and increased salaries to meet competition, we see very little possibility of preventing higher costs. Inflation, "creeping" though it may be, has been raising havoc with school costs throughout the country, with little or no relief in sight.

We are also concerned with the matter of housing for a steadily increasing enrolment. This is a problem which faces every town throughout the State. We are more fortunate than some because we are fast approaching what is called our maximum growth. The Robin Hood School addition has relieved the situation substantially, but only temporarily. It is essential that we give present consideration to future needs through long-

range planning which cannot be improvised. We should be planning to make additional space available, either by adding to existing buildings or, more logically, by a new elementary school. Our school plant needs can probably be limited (unless some new and unexpected large housing project is started) to one more new elementary school, and additions, mostly classrooms, to our Junior High and High School buildings. There is a definite shortage of classrooms at the Junior High School, and within a very short time this situation will become acute. There is also an indication that additional rooms will be needed at the High School in the not too distant future. The required expansion cannot be long delayed.

The Committee expresses its sincere thanks to the townspeople of Stoneham for the ten-room addition at the Robin Hood School which has already proved its worth and effectiveness.

Gratitude is expressed also for the school truck provided by the taxpayers. This facility has proved extremely valuable in transferring furniture from one school to another, in delivering supplies from the central supply room, and in carrying books from the Public Library to the elementary schools. Through this transfer the elementary schools serve as branch libraries of the Public Library.

The Committee is pleased with the new lighting provided by the SPECIAL ARTICLE in March, 1959, when the Town granted \$25,000 for the rewiring of the Junior High School. In continuing its long-range plans for remodeling the Junior High School, the School Committee decided that in conjunction with the rewiring, it would be appropriate to install a new fire alarm system and a clock system. Much of the money for these projects came from Public Law 874 federal funds. These funds do not come from local taxes. Unfortunately, there is no guarantee that funds from this federal source will continue to be granted to schools.

This rewiring has enabled us to continue plans for installing a really fine Home Economics Department which, unfortunately, had been curtailed at the junior high school level. Furthermore, we have been able to add new classroom furniture in six more rooms, replacing old outmoded desks and chairs. The Committee, in following its long-range plan, hopes to modernize this school and is already gratified with the results.

The thanks of the Committee are due the trustees and the staff of the Public Library, inasmuch as they have been extended to the breaking point since the inauguration of the STONEHAM

READING FOR PLEASURE PROGRAM. The staff has been most cooperative and good natured under this additional burden, and the Committee extends its sincere thanks.

The Committee has been very happy to make the gymnasium at the Junior High and High School available each Saturday for a program sponsored jointly with the Stoneham Recreation Committee for a program of athletics for all boys and girls of elementary and junior high school age in Stoneham. This co-operation is conducive to better service to the Town at low cost and with the favorable feature of eliminating costly duplications.

Thanks of the Committee are extended also to the Stoneham Press and the Stoneham Independent which have so willingly given liberal space to the many curricular and extracurricular activities, especially to the STONEHAM READING FOR PLEASURE PROGRAM reports. This publicity has created and maintained the interest of our fellow townspeople which is essential to morale and financial backing of such activities.

The Committee wishes to thank the public-spirited citizens who served on the Robin Hood School Building Addition Committee; also, to the School Survey Committee that is still actively working on problems concerning our increasing enrolment.

The Committee wishes to thank with special emphasis the teachers in our school system who bear the primary responsibility for good schools. It is a well-known and increasingly recognized fact throughout the country that the demand for sound, well-trained, and dedicated teachers exceeds the supply, and that our schools must compete with many other fields of activity for the services of teachers whose adaptability enables them to command higher salaries in business and industry than school systems ordinarily can afford. It is incumbent upon any community which desires to retain the services of this professionally trained class, therefore, to make their positions desirable and satisfying. The Committee has been struggling for many years to establish in the minds of the townspeople that the question of teachers' salaries must be considered differently from other school and municipal employees because upon the efforts of this specially trained group depend the success of the whole fabric of education. The Committee feels that our teachers rank with the best and deserve our unstinted praise. With all our efforts to improve the salary structure, we still lag behind neighboring towns and probably will as long as the Commonwealth continues to raise minimum salaries and makes it mandatory upon cities and towns. The Committee has gone on record as opposing this

action of the Commonwealth, unless the Legislature can supply the funds to meet this mandate.

Finally, the members of the School Committee wish to extend their appreciation to the administrative staff, the various school councils, parent-teacher associations, the School Health Council, and to the many citizens interested in better education for their loyal and enthusiastic support during the past year.

KATHRYN B. ENGLISH, Chairman

DAVID C. WHITEHOUSE, Vice Chairman

EDWARD H. ADZIGIAN

HUGH R. BOYD

P.S.

Since this is my final report to the citizens of the Town, I should like to thank all those who made it possible for me to serve on the School Committee for three terms. It has been a most satisfying and rewarding experience. I sincerely hope that those who follow me will experience a like satisfaction in meeting the challenges which will most certainly arise as education continues to play a dynamic role in our American way of life. If our way of life is to survive, it cannot be done by force of arms alone but by training of the whole youth not only mentally but also morally and spiritually as well.

KATHRYN B. ENGLISH, Chairman

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

I submit my third Annual Report:

Some Noteworthy Achievements

Reports lose some of their meaning when applied to the teeming life of a school system whether the events are exciting or relatively commonplace. Dull these events never are because there is so much potential brain power in our youth, not to mention the enthusiasm and vivacity. Our job is to direct these and other attributes so that the individual and society may benefit.

Many of our achievements will be found in reports submitted by the Elementary Supervisor, Junior High, and High School Principals.

Approximately fifty-five per cent of last year's senior class members are continuing their education. This is a sizeable increase over last year. This increase is partially due to the continuing emphasis on the development of intellectual curiosity, respect for knowledge, and academic achievement. Every pupil should be worked to his full capacity. Although we realize that

not all pupils can or should be prepared for college, we firmly believe that all should develop some degree of intellectual curiosity, respect for knowledge, and academic achievement. We do not subscribe to the theory that since some are not going to schools of higher education, there is less need for good standards. Standards can be kept high regardless of the subjects or course of study taken. Carelessness in this matter can inculcate poor habits of work, concentration and responsibility, and many of the other attributes necessary for life and good citizenship in general. We would be remiss in our duty if we did not fight this with all of our zeal. In addition to the work conducted in the classes, we have special coaching classes to assist in college preparation.

Our test scores obtained from standardized tests have continued to rise at a good rate. Exceptional gains were made in grades three to nine (the grades encompassed by our test, i.e., Iowa Test of Basic Skills). Grades one and two have shown remarkable increase in reading ability.

Using the sixth grade reading scores in standardized tests given in early April, the average score should have been 6.8 which means the eighth month of the sixth grade. We had fifty-three pupils reading two years or more above the national average. Eight of these pupils read three years or more above the national average. We firmly believe that the STONEHAM READING FOR PLEASURE PROGRAM, in which over 160,000 books were read by our pupils on their own time during the year, was greatly responsible for the good results in the tests.

We lengthened our school day by fifteen minutes. This was a step in the right direction, and we believe that the pupils have benefited by the change.

We have strengthened our art and music programs by increasing the staff and extending the course offerings.

We have made progress in obtaining more uniformity in grading, in developing courses of study, in testing, and in the use of notebooks.

Our elementary school French program has been greatly expanded at no increase in cost because of its availability via TV.

Our self-supporting Summer School was very successful with 106 students attending from Stoneham and nearby towns. Our greatly expanded Adult Education Evening School served over 300 adults.

We had numerous visitors, requests, and calls from other school systems concerning some of our innovations, practices,

and procedures. The superintendent and staff members have been asked to address many local and out-of-town audiences, and college or university groups.

Staff

Increased enrolment compelled us to appoint a supervising principal at the Robin Hood School. We were also compelled to add two elementary teachers, one junior high school teacher, and a guidance counselor. A speech correctionist was added instead of replacing a third nurse.

Many of our staff members are continuing their professional improvement by the selection of appropriate courses to keep them abreast of the times.

The morale of our staff is good as attested by the fact that the staff members frequently ask good candidates to apply for teaching positions here.

Guidance

The guidance department is continuing its policy of offering its many services to the students, administration, and parents. Services in counseling, academic and vocational assistance, placement, and testing are employed daily.

The current testing program, which was revised to develop a continuing twelve-year plan under one director, was expanded in that the school and college ability test is now given to sophomores. This supplements the present program which consists of intelligence tests, Iowa Tests of Basic Skills, achievement and co-operative tests. In 1959, the Preliminary Scholastic Aptitude Test was added to our testing program.

Guidance classes in grades eight and ten continue to offer both academic and vocational guidance to students. The course in grade ten is geared to meet the different needs of the various students in the college, business, and general courses.

We are pleased to report that two seniors became semi-finalists in the National Merit Scholarship Test. Four other seniors were given honorary certificates for the same test.

Follow-up studies of students graduating from the Stoneham school system are continuing. This includes a study at one, two, three, and five-year intervals.

Physical Education and Athletics

The continued aim of the department of physical education and athletics is to provide opportunities for proper physical development and concepts which will help to apply this development as it relates to everyday life in school and thereafter.

The elementary school program in physical education remains basically unchanged except for situations where added facilities enable increased outdoor activities. The Robin Hood School auditorium will eventually be equipped for more adequate gym use, and it will provide additional opportunity for after-school recreation. Two years of increased activity in touch football have proved successful in developing skills related directly to football itself.

The junior high school program in physical education, under the direction of new teachers for both boys and girls, offers a broad preparation for work in the high school level. Continued improvements in after-school intramural activities for boys and girls cover three seasons and provide an outlet for recreation otherwise not available in the community.

Visitors to the High School are unanimous in agreement that the physical education program there is one of the best in the State. Most noteworthy are the units in weight-lifting and heavy apparatus, both of which are conducted after school as well as during regular classes.

Considerable concern is felt in the athletic department regarding the scarcity of candidates for varsity football. Efforts are being made to revive interest in this direction, both in the school and by contact with parents.

Cafeteria

The cafeteria program is gaining in favor with the pupils. Steps are being taken to increase the participation.

Assisted by students and staff of the Junior High and High Schools, a study was made of the cafeteria program. The questionnaire was followed by visits to neighboring schools by the administrators, accompanied by representative students. The survey convinced us of the good quality of our program.

Surplus food items from the government permit us to operate a cafeteria program without deficit financing.

Music Department

Music in the Stoneham Public Schools emphasizes music education for all. In the elementary schools a program of singing, listening, playing, creating, music reading, and rhythmic experiences contribute to the musical growth of every child. The recent growth in the number of pupils taking instrumental lessons has been extremely encouraging.

In the Junior High School the general music class is important as a continuing factor in the music education program by providing the musical experiences as set forth in the elementary schools.

A new course, music workshop, was introduced in the High School. It is an appreciation course designed to teach students how to listen intelligently to good music and understand and enjoy what they hear. This is in addition to assembly singing in grades ten, eleven, and twelve.

The music department has participated in many school and extracurricular activities both locally and elsewhere. A workshop for elementary teachers was conducted.

Art

It is our belief that art is fundamentally involved in all of the things we do. It is indispensable in any walk of life because it is tied up with all types of creating, choosing, and planning in all areas.

We plan to have opportunities for all pupils at every school level in Stoneham to participate in art activities. The urge to create lasts from early childhood through adult life. This year we have offered many and varied activities calling for this creative thinking and expression which we think has contributed to the students' personal development in other fields of education. Pupils are encouraged to develop their own ideas and methods of carrying them out creatively.

This year our elementary teachers have utilized new ways of using art to help children understand their schools and their community.

In the Junior High School we have stressed exploration of materials and abilities rather than specialization. Students have experienced creative lessons in water colors, poster paint, pastels, crayons, pen and ink, and cut paper. They have experimented with block printing, stenciling, papier mache and clay. They have made posters for school activities and the Red Cross, and murals related to other school areas. The pupils have studied the lives and works of many famous artists. Visual aids were used to stimulate appreciation.

We are grateful for a new part-time art teacher in the Junior High School. As a result, we have been able to offer art to all seventh and eighth grade students. Because of lack of teacher time, however, we are still unable to offer art to the ninth grade students. With the anticipated increased enrolment in next year's classes and the need to offer art to our ninth grade students, we would like to have the full-time services of our new art teacher next year.

The art department has participated in many school activities by meeting art service demands such as the Winter Carnival Ball, Senior Tea, and graduation exercises.

Health

This year the health department was staffed by one full-time nurse and a nurse working on a three-quarter-time basis.

This staff completed annual hearing and vision testing and, with the help of voluntary workers, all students were weighed and measured.

As a result of the hearing and vision tests, thirty-one and one hundred and sixty students respectively were referred for medical attention. It was necessary for the nurses to do close follow-up on many cases to encourage correction of defects.

Dr. Henry Leavitt, the school physician, examined eight hundred sixty-three children for required routine and athletic examinations. One hundred and thirty-seven received medical attention as a result of referral to private physicians, clinics, or other services.

The Mantoux Tuberculin Test was administered to the children in grades one and eleven. Positive contacts were referred to the Middlesex County Sanatorium for further study.

The School Health Council, organized in October, 1957, met for three meetings during the school year.

Speech Correction

Approximately ninety per cent of the children working with the speech correctionist have articulation disorders such as sound substitutions, lisping, and improper production of sounds. The correction of speech disorders can have far-reaching effects. The ability to communicate effectively is of major importance. The correct production and recognition of sounds can also help to improve reading skills.

All of the schools are being served by this program. Every child who can benefit from speech correction is not being served at present, but a waiting list is kept and each child is helped as time permits.

Attendance

As a result of the careful efforts of our principals, teachers, and other members of our staff who are directly connected with pupil control, truancy is almost nonexistent as a problem in Stoneham.

Six cases were reported for investigation and the majority was of a minor nature.

Maintenance Department

At the resignation of Mr. E. Burbank Saul, it was difficult to find a well-trained and experienced person for the position of

supervisor of buildings, grounds, and custodians. We had many candidates who would have qualified for head custodian but very few who could properly supervise the school plant which has a replacement value of over five million dollars. We were fortunate to obtain the services of Mr. Matthew Hanscom, a graduate engineer who has had over twenty-five years in general construction work and specifically in construction of new schools and other buildings.

The condition of the buildings and grounds has been greatly improved. This is due in part to the long-range planning to keep the plant in good condition.

Listed below are some of the numerous improvements and repairs made in the eight buildings of the system:

North School: Two more basketball backstops have been installed, the driveway at the main entrance hot-topped with game lines added, and the building treated for termites.

South School: All the blackboards have been resurfaced, toilet flushometers replaced, roof fan motors overhauled, the oil tank cleaned out, two new asphalt parking spaces made with lines added, and floodlights installed to light the front and side areas.

East School: All classrooms, corridors, teachers' and health rooms have been painted; the septic tank for the teachers' room area cleaned; the outdoor incinerator repaired; and all blackboards refinished.

Emerson School: The stage curtain has been cleaned and flameproofed; all classrooms, corridors, teachers' and health rooms painted; basketball backstops painted; new hoops installed; and all blackboards refinished.

Robin Hood School: New emergency light batteries have been installed, the exterior of the building painted, all counters at the sinks replaced with formica tops, stage curtains cleaned and flameproofed, a sump pump installed in the boiler room, the health room painted, the controls for the heating system overhauled, and the auditorium floor refinished.

Colonial Park School: Improvements have been made to the playgrounds, the ceiling in the girls' toilet painted, and the fence at the end of the parking lot repaired.

Junior High School: Emergency lights have been repaired, lighting fixtures and wiring replaced throughout the entire building, a new fire detector alarm system installed and now tied into the control at the central fire station, a new motor for one of the ventilating units installed, asphalt tile installed in

one of the corridors, seven classrooms painted, acoustical tile added to two ceilings, a new roof installed on the south end, a new domestic science room completely equipped and repainted, a sink added to the health room, new shades installed in several rooms, and blackboards refinished in five rooms.

High School: All outside locks and locks in some areas within the building have been mastered, and exterior iron work painted.

Much of the above work, including the replacement of broken glass, repair of furniture, locks and lockers, painting of traffic lines, miscellaneous painting, and many other projects have been done by the custodial staff.

The purchase of a truck for the school system has added greatly to the efficiency of all phases of delivery and maintenance work for all the buildings.

Lawns and grounds have been taken care of by the staff. The addition of a custodian for the summer months has allowed the department to keep the High School grounds in excellent condition, including the cutting of the tall grass areas of the other schools.

The physical plant of the Stoneham school system is in good condition although there is yet considerable work to be done in the Junior High School building. Plans are constantly in progress to improve the buildings and the efficiency of the mechanical systems.

What Lies Ahead?

We would like to call to your attention the need for:

- 1 More classroom space, especially at the Junior High and North Schools.
- 2 Continued remodeling of the Junior High School.
- 3 Improvement of the Junior High gymnasium.
- 4 Continuance of survey of school building needs.
- 5 More free time for elementary school pupils at noon.
The school day can be extended to make up the increased lunch period.
- 6 Achieving respectability in interscholastic competition.
This may require a change in present personnel policy.

Our program should provide:

- 1 A class, as provided by state law, for "trainable" children and one for "educable" or mentally retarded children.
- 2 A stronger industrial arts program to meet the needs of those not interested in regular academic work.

Conclusion

We believe that we have made progress during the past year. We also believe that this progress is due to the joint efforts of many groups, e.g., School Committee, staff members, pupils, parents, and other citizens of the Town. Parent groups and other municipal departments have also been very helpful.

I hasten to add that quality, enthusiasm, vim, vigor, zest, satisfaction, and occasionally, even frustration, are hard to set down in the peaks and valleys of curves on graph paper, or even on paper in a report.

Ignorance is our enemy. Ignorance we fight all year long and year after year. The support and co-operation of the staff members are indispensable in fighting this enemy. We extend our thanks to the whole school department and the community for their help in the next round with our enemy.

MICHAEL SCARPITTO, Ph.D.
Superintendent of Schools

REPORT OF THE HIGH SCHOOL PRINCIPAL

Dear Dr. Scarpitto:

I herewith submit my annual report for the year ending December 31, 1959. This is the seventeenth year that it has been my privilege to file such a report as principal of Stoneham High School.

We believe that the past year has been one of the finest in progress and accomplishment in the history of our service. As space permits, we would like to present here a record of these accomplishments.

The most significant act of progress this past year was the construction of curriculum guides or courses of study in several areas on the secondary level. The construction of these guides entails much study and extra hours of work by all members of the staff, and we wish to express here our appreciation to all teachers for their interest and effort.

The assistance of department heads in the supervision of classroom instruction has been a strong factor in the improvement of teaching in our school. Each department head has presented a report of the work in his area, and I would like to quote directly from these.

From the department of social studies, Mr. Lamson reports that he held regular meetings to outline policies, to exchange ideas, to evaluate and revise curriculum, and to stimulate extra-curricular activities and projects.

He also reports participation in student activities related to citizenship and government. These included Student Government Day, Memorial Day Program, Boys' State and Girls' State, Student Exchange Day, field trips, and assembly programs.

For the mathematics department, Mr. Jordan reports meetings with administration and guidance to study the accelerated program introduced this year in the Junior High School, and to plan the sequence of subjects for these pupils. He reports on the work in the newly introduced course in advanced mathematics, his frequent staff meetings for curriculum study, and attendance of the department head at meetings for the study of mathematics and correlation with the advance of science.

Mr. Robert Millett, head of the science department, reports progress in curriculum revision. Mr. Millett and his staff have met with Miss Fernow, supervisor for the elementary schools, and with other administrative heads to co-ordinate the science teaching in the grades with the program for the secondary level. His report records such other activities as classroom supervision, attendance of teachers at regional conferences in science, Science Night at the High School, and the attendance of Mr. Collins of the High School science staff at a summer institute sponsored by the National Science Foundation. The National Association for the Advancement of Science has presented our library with fifty volumes on science, a fine addition to our science library.

Mrs. Margaret Garvin, head of the department for business studies, reports progress in curriculum revision. Mrs. Garvin points to the importance of training in business machines as is now being done. She is grateful for the well-equipped business department. The completion of the courses of study was a major accomplishment.

The head of the English department, Mrs. Sadie Marshall, reports the completion of the curriculum guide for English.

An important part of Mrs. Marshall's report describes the work of speech and dramatics. Other activities include the publication of the yearbook, several essay contests, speech contests, and assembly programs.

The high school library is the heart of the school program. With the retirement of Miss Miriam Marsh, who so ably conducted the library program for many years, Mrs. Lucy Salvatore was engaged to fill the position.

Mr. Clark Richardson reports on the progress of driver-training education. This year for the first time all driver-training instruction is on an after-school basis. This has necessarily

reduced the number of students who can be served by this program. During the past year ninety-eight students were enrolled and ninety-four completed the course.

We believe it is our responsibility to know our individual pupils so well that we can intelligently guide them in their educational and vocational choices.

The demand which is now put upon us by colleges, other institutions, and industry for more statistical data on pupils requires additional testing, conferences, and the study of test results. A complete dossier of test data, school grades, and anecdotal information is necessary to complete recommendations for colleges. Participation in school activities is believed by the colleges to be an important factor in the personal development of the individual, and we are required to list all significant activities in which the pupil has participated in the school and community.

Conducting the testing program and assembling this information impose a heavy task on our guidance personnel. We are happy that Mr. Martinian has been able to devote more time this year to the high school. In addition to providing the information needed for reports to colleges, he frequently analyzes test data and other information, making readily available to us important data needed in planning our program of studies and locating the individual pupil in the course best suited to his needs.

The list of institutions which our young people are at present attending will attest to the fact that we prepare well those who are able to do college work. At present we have students at the following colleges: Trinity, Boston University, Massachusetts Institute of Technology, Simmons, Dartmouth, University of Massachusetts, Bryn Mawr, Northeastern, University of Maine, Harvard, Bates, Amherst, Williams, University of New Hampshire, Tufts, Colby, Worcester Polytechnical Institute, State Teachers Colleges, Merrimac, University of Michigan and others.

The success achieved in placing our pupils in colleges is a direct result of superior teaching in the classroom. In addition to regular class work, special sessions on an after-school basis are provided for those who will take college entrance examinations.

An early selection of a choice of college is desirable so that guidance of the individual in planning his sequence of studies and meeting specific requirements can be begun early in his school career.

This year we have stressed the importance of a uniform

marking system which we are convinced has been a help to both pupils and teachers. Frequent short quizzes have been required as a part of every teaching program. We believe this not only provides a good teaching device and check for the teacher but also helps the pupil to know at all times where he stands, and serves many times to stimulate him to greater effort.

The introduction of advanced mathematics for the more able student planning on a career in science or engineering has been a wise addition to our mathematics curriculum. The results are evidenced by higher scores on college entrance examinations and greater success in college.

Interest in languages has increased under guidance, and we are now enrolling pupils in four years of Latin and four years of French. Reports from colleges clearly indicate that our students are especially well prepared in French.

The recent installation of language laboratory equipment will be of help in oral and aural practice in foreign languages.

The additional offerings we have provided are in keeping with the recommendations of the Conant Report.

The school has enjoyed the co-operation of an active parent-teacher association which has assisted us with four excellent programs annually. It has provided scholarship aid to our graduates, prizes for our Science Night, and through the interest of well-selected officers and committees, substantial help in establishing and maintaining good community relationships.

A unique and outstanding event took place in November when the alumni of the school held its first home-coming day, an all-day and evening affair. The attendance and enthusiasm of the group exceeded all expectations. The sponsoring group of alumni is to be congratulated for this very successful project.

This is our fifth year in the new high school building. We are happy to report that it serves our needs very adequately. The interest and care given to the building by the students and the fine custodial work of Mr. Garvis Young, our head custodian, and his staff have preserved the freshness and cleanliness of a new building.

Your attention is respectfully called to the report of Mr. Karl Elerin on the program of physical education, particularly as it deals with athletics. Our present affiliation with the Middlesex League is a very desirable connection in that it makes possible a complete athletic program with schools in neighboring communities. We are fairly well able to compete with these

schools in all activities except football, and in this sport the size of school is a strong factor. We shall need to give careful and immediate consideration to this program.

I am very grateful to Mr. Wendell Horton, our vice principal, and all members of the staff for their continued loyalty and co-operation in completing a very successful year.

I would like also to express here my appreciation for your interest and help in our work.

We are grateful to the members of our School Committee who have shown a particular interest in the development of our high school program.

Respectfully submitted

WILLIAM M. NADEAU

Principal

REPORT OF THE JUNIOR HIGH SCHOOL PRINCIPAL

Dear Dr. Scarpitto:

The Junior High School has continued to change its educational pattern to conform to the most recent educational thought.

The academic program has been changed to include more class time by increasing the schedule from six to seven periods per day. The length of the period remains the same, but the lunch time has been more properly utilized. This has been done with an over-all increase in the length of the school day by only fifteen minutes.

A new program instituted this fall includes the following developments:

- 1 A pilot group in grade eight taking a course in algebra.
- 2 Developmental reading in one division in grade eight, and two in grade seven.
- 3 Subject-study periods in which the ninth grade classes meet one extra period a week for special help and review.

A new award was created this year to recognize scholarship. This award is a shield similar to that given for sports and other activities. It was given to students of grade nine for high scholastic achievement. In the future students from all grades will be eligible to receive the award.

A great improvement has been made in the guidance service with the addition of a full-time guidance counselor and a part-time assistant principal. A new high in the total population was reached as we enrolled seven hundred forty-five pupils.

New teaching aids include a television set, new 16 mm sound projector, and a new view-graph projector. Every effort is being made to keep abreast of the rapidly changing area of teaching aids. New furniture has been placed in six rooms.

The extracurricular program has been improved to include an operetta-type musical program. School publications have been consolidated into one yearbook.

One of the major accomplishments this year has been the improvement of the physical plant. This consists of rewiring for complete new lighting, a new electric clock and bell system, and a new fire detection system. With the new fire alarm system, there is a direct automatic contact between the specific location in the building and the fire station. A fire starting in any location in the building will automatically sound the town fire alarm.

Another plant-improvement project, still in the process of completion, is the development of a new home economics unit to include a sewing and cooking area.

As we face a new year, the science program is being revised and we look for increased offerings in art, mechanical drawing, and music. It is anticipated that more variety will be allowed to our students in the selection of courses.

Respectfully submitted

DANIEL W. HOGAN, JR.

Principal

REPORT OF THE SUPERVISOR OF ELEMENTARY EDUCATION

Dear Dr. Scarpitto:

During the past year our science curriculum has been studied and revised in the light of increased interest in science as manifested not only by educators but also by the public as well. The elementary teachers have engaged in the study of recent trends in science education. They have examined courses of study and elementary science textbooks, as well as recent texts on the teaching of science in the elementary grades. Materials have been carefully selected to meet the interests of children of different levels of instruction. In each of the elementary grades a basic text or texts, together with books for the library table and pupil and teacher reference books, have been chosen co-operatively by the staff.

This revised course in science is to serve as a suggested guide for science instruction in the first three grades. Adaption

to class interests and individual needs is intended and recommended. It sets up general objectives, and units of work with specific experiences to make the science concepts to be taught meaningful and concrete. A bibliography follows each unit which should be helpful to both teachers and pupils in the study of elementary science in the first three grades.

A workshop in science for Stoneham elementary teachers was held in October at the Colonial Park School. The workshop was a stimulating experience for the fifty-six elementary teachers who attended. The salient points of a good science program were delineated by the leader of the workshop. There was a demonstration of easily available materials which may be used to make science concepts concrete and meaningful. The workshop was enthusiastically received by the elementary staff and has resulted in an added interest by the teachers in the teaching of science in their classrooms.

A speech correctionist has been employed to work with the elementary children who need therapy in the correction of speech deficiencies. Approximately sixty elementary children are being helped with their speech problems during the current school year.

The program of French in the elementary schools has been amplified this year by the inclusion of the **Parlons Francais** television lessons offered twice a week from Channel 2. All third and fourth grade children are participating in this program. There are two fifteen-minute programs offered weekly to these children.

In addition to the television instruction, the French classes started two years ago are continuing their work as part of the basic curriculum in grades five and six.

Respectfully submitted

ALICE E. FERNOW

Summary of Instructional Salary Recapitulations

1	2	3	4	5	6
	School Year Salary Rate	Increments Affecting Calendar Year	Increments Affecting School Year	School Year Salary Rate	Total Salary for Calendar Year
Legend					
A Column 2, School Year 1959-60; Columns 3 and 6, Calendar Year 1960; Columns 4 and 5, School Year 1960-61	\$723,057.80	\$44,880.66	\$114,355.00	\$837,412.80	\$767,938.46
B Column 2, School Year 1958-59; Columns 3 and 6, Calendar Year 1959; Columns 4 and 5, School Year 1959-60	643,130.00	37,997.47	93,675.00	723,057.80	681,127.47
C Difference	\$79,927.80+	\$6,883.19+	\$20,680.00+	\$114,355.00+	\$86,810.99+

*Breakdown of \$86,810.99:

Additional Staff	\$16,566.68
Increments	12,747.07
Increases due to salary schedule changes	11,566.91
Additional allocation for Substitutes	2,000.00
Additional allocation for Evening School	2,000.00
	<hr/>
	\$44,880.66 (Same as Column A3 above)

1959 Salaries held over from 1959 for payment in June,
 1960 (Column C2 above, less Column B3)

41,930.33

\$86,810.99 (Same as Column C6 above)

Note: Column A5 will be B5 and also A2 next year, and it will affect the 1961 budget; however, this figure will be different if there are staff and salary changes between now and the school year 1960-61. (Column B5 shown above — \$723,057.80, which is also Column A2), was \$736,805.00 last year. This figure was reduced by \$13,747.20 because new staff members hired came at a lower salary than those who left.

1960 BUDGET REQUESTS COMPARED WITH 1959 APPROPRIATIONS

Note: The starred items on the following pages indicate a transfer in categories in order to follow the State report plan. To show a more accurate comparison with corresponding items for last year, comparable items for last year have been transferred also to put them in the same category as items in 1960.

	1959 Appropriation	1960 Budget Request
Books:		
Elementary Schools	\$ 5,477.50	\$ 6,135.00
Junior High School	3,900.00	5,000.00
High School	3,987.95	4,700.21
Guidance Department	0.00	155.00
Art Department	62.85	98.00
Music Department	164.00	275.00
Visual Education Department	1,525.50	1,843.50
Evening School	45.00	0.00
Totals	\$15,162.80	\$18,206.71
1960 Budget Request	\$18,206.71	
1959 Appropriation	15,162.80	
Difference		\$ 3,043.91 more

The increase over last year is caused by a larger enrolment, a slight increase in the cost of textbooks, and the necessity of replacing several sets of textbooks for certain classes during the coming year.

Supplies and Other Expenses of Instruction:

	1959 Appropriation	1960 Budget Request
Elementary Schools	\$ 3,926.69	\$ 5,842.44
Junior High School	1,872.00	2,950.00
High School	3,089.99	3,607.14
Guidance Department	2,418.30	2,400.00
Art Department	2,475.00	3,346.65
Music Department	827.00	1,067.25
Physical Education Department	998.80	1,113.90

Central Stock Room:

	1959	1960
(a) Elementary	\$3,912.50	\$4,253.60
(b) Junior High	1,013.00	1,800.00

(c) High	1,600.00	1,700.00
(d) Supervisors	66.00	75.00
* (e) Evening School	134.75	125.00
(f) School Councils	150.00	150.00
(g) Supt.'s Office	750.00	825.00
	<hr/>	<hr/>
	7,626.25	8,928.60
*Travel Expenses of Instructional staff	1,675.00	2,125.00
	<hr/>	<hr/>
Total exclusive of General Control and School Com. Expenses	\$24,909.03	\$31,380.98
* General Control expenses	5,465.10	4,917.10
School Committee expenses	500.00	500.00
	<hr/>	<hr/>
Totals	\$30,874.13	\$36,798.08
1960 Budget Request	\$36,798.08	
1959 Appropriation	30,874.13	
	<hr/>	
Difference	\$5,923.95	more

The increase over last year is caused by the addition in September of two special classes, two regular elementary level classes, and increased enrolment in other classes. We also anticipate a three per cent increase in the cost of supplies during the coming year.

Summary of Operational Salary Recapitulations

Totals	\$1,025.00	\$1,135.00
1960 Budget Request	\$1,135.00	
1959 Appropriation	1,025.00	
Difference		\$110.00 more

The request for additional allowance for water is due to the increased use to which the school buildings are being put not only because of a larger enrolment but also because the buildings are being used more and more by outside organizations at night.

	1959 Appropriation	1960 Budget Request
Truck and lawn mower expenses — gas, oil, registration and fire in- surance on truck	\$200.00	\$315.00
Travel for general custodian	200.00	0.00
Miscellaneous — towels, toilet paper, waxes and other janitorial ex- penses	5,000.00	5,400.00
Total for above three items	\$5,400.00	\$5,715.00
1960 Budget Request	\$5,715.00	
1959 Appropriation	5,400.00	
Difference		\$315.00 more
Total for all operation items exclusive of salaries and fuel	\$28,079.00	
1959 Appropriation for comparable items	25,314.00	
Difference		\$2,765.00 more

The reason for the increases has already been given under the individual items listed on the preceding pages.

Summary of Maintenance Division Salary Recapitulations

1	2	3	4	5	6
	School Year Salary Rate	Increments Affecting Calendar Year	Increments Affecting School Year	School Year Salary Rate	Total Salary for Calendar Year
Legend					
A	Column 2, School Year 1959-60; Columns 3 and 6, Calendar Year 1960; Columns 4 and 5, School Year 1960-61				
B	Column 2, School Year 1958-59; Columns 3 and 6, Calendar Year 1959; Columns 4 and 5, School Year 1959-60	\$7,000.00 5,800.00	\$2,210.00 450.00—	\$4,420.00 300.00—	\$9,210.00 5,350.00
C	Difference	\$1,200.00+	\$2,660.00+	\$4,720.00+	\$3,860.00+
	1960 Budget Request		\$9,210.00		
	1959 Appropriation		5,350.00		
	Difference		\$3,860.00+		

Breakdown of \$3,860:

Difference in salary between that of the new Supervisor and his Predecessor		\$1,650.00
Additional Staff		2,210.00

Total \$3,860.00 (Same as Column C6 above)

NOTE: Column A5 will be B5 and also A2 next year, and it will affect the 1961 budget; however, this figure will be different if there are staff and salary changes between now and the school year 1960-61. This year the difference is \$1,500. more.

MAINTENANCE:

Section A

Repairs, Replacement, and Upkeep of Educational Equipment

	1959 Appropriation	1960 Budget Request
Elementary Schools	\$90.00	\$300.00
Junior High School	2,918.00	3,325.00
High School	745.50	2,174.00
Art Department	0.00	78.55
Music Department	744.00	820.00
Physical Education Department	110.00	202.00
Visual Education	0.00	1,072.00
Totals	\$4,607.50	\$7,971.55

1960 Budget Request \$7,971.55

1959 Appropriation 4,607.50

Difference \$3,364.05 more

This increase is due to the higher cost of repairs and also because we now have more equipment which necessitates more allowance for repairs. Sufficient funds have not previously been included in the budgets.

Section B

Repairs, Replacements and Upkeep of Physical Plant

	1960 Budget Request
Elementary Schools	\$15,710.00
(a) New combustion chamber and burner overhaul — East	\$300.00
(b) New oil burner, tank, etc.—Em- erson	7,000.00
(c) Paint interior of Robin Hood, old section, including classrooms, au- ditorium, corridors, etc.	3,500.00

(d) Repair of fences — Emerson & Colonial Park	200.00
(e) Parking area and fence removal — Emerson	500.00
(f) Panic bars — Emerson (12), North (1), East (3)	1,500.00
(g) Repair boiler combustion chambers, Robin Hood	200.00
(h) Shades, South	300.00
(i) Fire extinguishers, Robin Hood (3)	60.00
(j) New electric service main breaker, Emerson	650.00
(k) New blacktop area, East	1,500.00
Junior High School	7,880.00
(a) Paint corridors and misc. small classrooms	1,000.00
(b) Asphalt tile floors, 6 classrooms	3,000.00
(c) Acoustical tile ceilings, 6 classrooms	3,600.00
(d) Shades	160.00
(e) Fire extiguisher (1)	20.00
(f) Resurface blackboards	100.00
High School	1,700.00
(a) Paint exterior	1,400.00
(b) Repair combustion chambers	300.00
All Schools	7,590.00
(a) Maintenance of truck and mowers	300.00
(b) Plumbing and electrical — calculated emergency	1,290.00
(c) Repairs to heating systems	2,500.00
(d) Maintenance of all schools and repairs to equipment and buildings — calculated emergency	3,500.00

Travel Allowance	350.00
Total for Section "B" above	<u>\$33,230.00</u>
1960 Budget Request	\$33,230.00
1959 Appropriation	24,990.00
Difference	<u>\$8,240.00 more</u>

The increase in this item is due mainly to the fact that a new oil burner will be installed at the Emerson School. This will eliminate the overtime we have to pay custodians who work week ends to fire coal burning furnaces. In addition, we are continuing our work toward improving the Junior High School physical plant.

AUXILIARY AGENCIES:

	1959 Appropriation	1960 Budget Request
Libraries:		
Elementary Schools	\$700.00	\$700.00
Junior High School	500.00	500.00
High School	1,300.00	1,500.00
Totals	<u>\$2,500.00</u>	<u>\$2,700.00</u>
1960 Budget Request	\$2,700.00	
1959 Appropriation	2,500.00	
Difference	<u>\$200.00 more</u>	

The High School library lacks some needed reference books. The \$200 allowance is for that.

Summary of Health Division Salary Recapitulations

1	2	3	4	5	6
	School Year	Increments Affecting Calendar Year	Increments Affecting School Year	School Year Salary Rate	Total Salary for Calendar Year
Legend					
A Column 2, School Year 1959-60; Columns 3 and 6, Calendar Year 1960; Columns 4 and 5, School Year 1960-61	\$10,050.00	\$933.34	\$1,500.00	\$11,550.00	\$10,983.34
B Column 2, School Year 1958-59; Columns 3 and 6, Calendar Year 1959; Columns 4 and 5, School Year 1959-60	13,250.00	161.14—	50.00—	10,050.00	13,088.86

C Difference	\$3,200.00—	\$1,094.48+	\$1,550.00+	\$1,500.00+	\$2,105.52—
1959 Appropriation		\$13,088.86			
1960 Budget Request		10,983.34			

Difference \$2,105.52 less (Same as Column C6 above)

Breakdown of Column A3:

Increments	\$216.67
Increases due to salary schedule changes	116.67
Addition of a part-time worker	600.00

Total \$933.34

Our request for this year is less because last year it was planned to employ a third nurse. This plan was not carried out; instead, we are making provisions for a part-time worker. Last year Column A5 was \$13,200. Because of salary and staff changes, this figure became \$10,050.00—a difference of \$3,150.00 less.

Health Division Expenses

	1959 Appropriation	1960 Budget Request
Nurses' travel and insurance on cars	\$519.96	\$455.00
Supplies	785.50	919.50
Totals	\$1,305.46	\$1,374.50
1960 Budget Request	\$1,374.50	
1959 Appropriation	1,305.46	

Difference \$69.04 more

This additional amount is for more supplies needed because of the increased enrolment.

Transportation:**A—Bus**

McIntire Bus Lines, Inc. (\$30 × 183 days)	\$5,400.00	\$5,490.00
Deviation from regular schedule which will require an additional bus each time:		
(a) Elementary Schools 4 times		
(b) Junior High School 1 time		
(c) High School 1 time		
(d) St. Patrick Parochial School 13 times		
\$5.00 × 19 times	95.00	95.00
Total by bus ("A")	\$5,495.00	\$5,585.00

B—Taxi**Town Taxi:**

(a) 5 Physically handicapped public school pupils at \$3.60 per day × 183 days	\$0.00	\$658.80
(b) 5 Mentally handicapped public school pupils at \$4.10 per day × 183 days	0.00	750.30
(c) 1 Public school pupil at Medford Sight Saving Class at \$3.00 per day × 183 days	0.00	549.00
(d) 4 Public school trainable class pupils attending school in Wakefield at \$6.40 per day × 113 days	0.00	723.20

	1959 Appropriation	1960 Budget Request
183 days	0.00	219.60
(e) 2 Physically handicapped private school pupils at \$1.20 per day × Potter's Taxi (\$15.70 per day × 180 days)	2,826.00	0.00
Sweet's Taxi (\$4.50 per day × 180 days)	810.00	0.00
Total by taxi ("B")	<u>\$3,636.00</u>	<u>\$2,900.90</u>

C—Special Trips by Bus

Transportation of Junior High School pupils to Science Museum, guid- ance tour, festivals, Christmas program on Boston Common	\$180.00	\$240.00
Transportation of High School pupils to drama festival trips, home eco- nomics field trip, and to Boston for Christmas program	100.00	190.00
Transportation of pupils to art mu- seum	75.00	50.00
Transportation of music students to the Northeastern Music Festival in Woburn	100.00	100.00
Transportation of North School 5th grade to Colonial Park School— 94 days at \$8.00	752.00	0.00
Total for Special Transportation ("C")	<u>\$1,207.00</u>	<u>\$580.00</u>
Grand Totals for all Transportation	<u>\$10,338.00</u>	<u>\$9,065.90</u>
1959 Appropriation	\$10,338.00	
1960 Budget Request	9,065.90	
Difference	<u>\$1,272.10 less</u>	

Tuition:

Boston—Children's Medical Center— (One student in 1960—\$7.52 per day × 180 days)	\$300.00	\$1,353.60
Medford—Sight Saving Class (annu- al rate) (One student)	0.00	433.00

Medford Evening High School (One student)	0.00	20.00
Wakefield — Trainable Class (Four Stoneham students until June, 1960. Rate per year, \$500. Beginning in September, Stoneham will have its own Trainable Class)	2,000.00	1,200.00
Boston University, Reading Institute (One student)	240.00	0.00
Totals	\$2,540.00	\$3,006.60
1960 Budget Request	\$3,006.60	
1959 Appropriation	2,540.00	

Difference \$466.60 more

The tuition item is one that we cannot control. State regulations make it compulsory for the town to provide education at special institutions to those who are physically and mentally handicapped. It is possible that all this amount may not have to be used, and it is also probable that this amount may not be sufficient if more students become hospitalized than we have anticipated.

Miscellaneous:

	1960 Budget Request
Elementary Schools	\$10.00
Junior High School:	
Assembly programs	185.00
Student handbooks	200.00
Membership in organizations	25.00
High School:	
Graduation expenses	550.00
Assemblies	150.00
Christmas decorations	60.00
College Entrance Reports	60.00
Driver Training	400.00
Mathematics Contest Fee	5.00
Museum Fees	10.00
Senior Tea	150.00
Social Studies (Student Government Day)	45.00
Survey Supplies	50.00
Music Department:	
Organist for Spring Concert	25.00
Insurance for instruments	30.00

Maintenance Department:

	1959 Appropriation	1960 Budget Request
Advertising for bids		100.00
*Evening School		162.50
*Auxiliary Services (including NESDEC dues and liability insurance)		893.20
Total		\$3,110.70
1959 Appropriation	\$3,527.09	
1960 Budget Request	3,110.70	
Difference		\$416.39 less

***Athletic Association Expenses**

(Exclusive of New Equipment Items)

	1959 Appropriation	1960 Budget Request
Cleaning and Repairing	\$1,450.00	\$1,510.00
Football Insurance for pupils	1,410.00	1,400.00
Staff liability insurance	40.00	65.00
Organization dues	155.00	265.00
Supplies	5,612.00	5,430.00
Totals	\$8,667.00	\$8,670.00
1960 Budget Requests	\$8,670.00	
1959 Appropriation	8,667.00	
Difference		\$3.00 more

Since no request for new equipment was made this year, and last year's new equipment item was \$32, in effect the budget this year is \$29 less than that of last year.

***Cafeteria Expenses**

(Exclusive of New Equipment Items)

Supplies	\$13.15	\$47.00
Replacement of Equipment	0.00	750.00
Repairs to Equipment	585.00	494.36
Telephones	140.00	155.00
Totals	\$738.15	\$1,446.36
1960 Budget Request	\$1,446.36	
1959 Appropriation	738.15	
Difference		\$708.21 more

This increase is due to the necessity of a new refrigerator needed for storage space and also because the present one has been too costly to repair.

OUTLAY:

	1960 Budget Request
New Equipment:	
Elementary Schools	\$1,361.78†
Junior High School	1,497.25†
(Desk and Chair Units—2 rooms)	1,680.00
(Student Locker Units 150 @ \$20. each)	3,000.00
High School	1,350.76†
(Science Equipment)	725.00
(Four Typewriters)	720.00
Guidance Department	109.00†
Art Department	91.10†
Music Department	607.00†
Physical Education Division	1,053.75†
Visual Education	1,155.14†
Health Division	15.00†
Maintenance Division	711.25†
*(Section folding stage, including instal- lation — North School)	1,000.00
Evening School	132.25†
*General Control	608.81†
Total	\$15,818.09
1960 Budget Request	\$15,818.09
1959 Appropriation	12,159.95
Difference	\$3,658.14 more

†These represent a combination of small items, none of which is \$500.00 or over.

The amount of \$3000 for student lockers in the Junior High School is the major cause of this increase. In addition, we plan to purchase much needed science equipment for the junior and senior high school grades.

SUMMARY OF GENERAL BUDGET FOR 1960

Grand total for salaries:

Instructional and General Control	\$767,938.46
Operational	66,850.00
Maintenance	9,210.00
Health	10,983.34
Total	<hr/> \$854,981.80
Expense items exclusive of New Equipment	176,559.40
New Equipment items	15,818.09
Total for 1960 General Appropriation	<hr/> \$1,047,359.29
Total 1959 Appropriation	925,340.41
Difference	\$122,018.88+

SPECIAL APPROPRIATIONS

	1959 Appropriation	1960 Budget Request	Difference
(1) Americanization	\$900.00	\$600.00	(a) \$300.00—
(2) Custodial Service Salaries	2,500.00	2,500.00	0.00
(3) Military Service Retirement Fund	53.60	5.17	(b) 48.43—
(4) Out-of-State Travel	1,400.00	1,600.00	(c) 200.00+
(5) Police Service at Athletic Contests	360.00	460.00	(d) 100.00+
(6) Trade Schools	6,000.00	6,000.00	0.00
Totals	\$11,213.60	\$11,165.17	\$48.43—

Explanations of differences in above:

- (a) The Americanization class membership has decreased. This seems to be a national trend. We have eliminated a second class and, therefore, a second teacher.
- (b) The \$5.17 due on the account of Arthur W. Walker, a South School teacher, is a ruling made by the Massachusetts Teachers' Retirement Board in relation to his military service.
- (c) The additional request for this item is due to the possibility of a School Committee member's attending a national convention of Committee members.
- (d) This additional amount is requested because of the necessity for more police service at the games.

SPECIAL ARTICLES

	1959 Appropriation	1960 Budget Request	Difference
(1) Rewiring Junior High School	\$25,000.00	0.00	\$25,000.00—
(2) Truck	2,185.00	0.00	2,185.00—
(3) Repairs to Junior High School Gymnasium	0.00	18,000.00	18,000.00+
Totals	\$27,185.00	\$18,000.00	\$9,185.00—

GRADUATION EXERCISES — CLASS OF 1959

PROGRAM

Entrance of Graduates — War March of the Priests
(from Athalia) Mendelssohn

High School Orchestra
Rolland Tapley, Conductor

(The audience will remain seated as the graduates
enter the hall)

Class Marshals

Judith Finnegan, Class of 1960
Robert Murrin, Class of 1960

Graduation Hymn (The audience uniting) Hemy-Walton

FAITH OF OUR FATHERS

1

Faith of our fathers, we will strive
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word.

2

Faith in our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

Refrain:

Faith of our fathers, holy faith
We will be true to thee till death.

Prayer

Reverend Garth VanNest

Speech of Welcome

Kenneth J. Cataldo, President

Address — Lao-Tse's Thousand Miles

Toby E. Mayman

Light Cavalry Overture

Von Suppe

Orchestra and Organ

REPORT OF THE SELECTMEN

To the Citizens of Stoneham:

The Board of Selectmen, Fred A. Schneider, Donald J. Morrison, William W. Mackay, Stanley D. Wood and Daniel L. Hurley, was elected for a term of one year on March 2, 1959. On Tuesday, March 3, 1959, after being sworn by the Town Clerk, the Board met and organized as follows: Mr. Schneider, chairman; Mr. Mackay, secretary; Mr. Hurley, disburser of veterans benefits.

Winthrop A. McCarthy was re-appointed clerk of the Board for a term of one year, and Audrey C. Rice was re-appointed secretary of the Board. Donald F. Glynn was re-appointed to the Board of Registrars of Voters for a term of three years.

John P. Fallon, Jr. and James F. McCarthy were appointed to the Board of Appeal for a term of three years, and John E. Shaughnessy and William L. Curran were named associate members for a term of one year each. Paul I. McCarthy, Sr. was appointed for a term of three years to take the place of James F. McCarthy, who resigned.

Other appointments by the Selectmen for a term of one year each were as follows: Kenneth A. Currie, Esq., town counsel; Garvis C. Young, dog officer, animal inspector and field driver; Norman A. LeBlanc, town weigher; Lt. William H. O'Toole, lockup keeper; Wallace C. Dunbar, inspector of veterans graves; William L. Curran, director of veterans services, agent for the

disburser of veterans benefits and burial agent; J. Algernon Forbes, sealer of weights and measures; Bernard H. Corbett, building and wire inspector. On August 15, 1959, Garvis C. Young resigned as animal inspector and M. A. Kennett, D.V.M., was appointed to take his place.

On August 23, 1959, Captain J. Clarence Nelson was retired after serving the Town of Stoneham as a member of the Police Department for thirty-eight years.

Lt. William H. O'Toole was appointed Acting Captain for the remainder of the year, and Sgt. Andrew J. Tuney was appointed Acting Lieutenant for a similar period.

Your Board of Selectmen is pleased to report that, after several years, the Commonwealth of Massachusetts has agreed, through its Public Works Department, to remedy the hazardous condition on Main Street north of North Street to the Reading Line. On repeated occasions in the past, the Selectmen have received several petitions not only from resident of the north end of Town but from many persons outside of Stoneham who use our Main Street. During the past year, it came to the attention of your Board that Route 128 at the intersection of Main Street, at the Stoneham-Reading Line, was going to be widened. The Selectmen met with representatives of the State Department of Public Works and after lengthy consultation State Officials agreed to include the widening of Main Street with the proposed widening of Route 128. Present plans call for straightening the highway from North Street to the Reading Line by removing a portion of the hilly ledge on the westerly side of the road. When completed, there will be a divided line between the north and south traffic lanes from North Street to Route 128 and tentative plans call for a traffic signal control at the intersection of Main Street and North Street.

In conclusion the Selectmen take this opportunity to express thanks to all town officers, boards and committees for their assistance and cooperation in the administration of town affairs during the past year.

Respectfully yours,

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
DANIEL J. HURLEY

Selectmen of Stoneham

REPORT OF THE PUBLIC LIBRARIAN

To the Trustees of the Stoneham Public Library:

It is my pleasure to present to you, this, the One-Hundredth Annual Report of the Stoneham Public Library.

In my report to you in 1958, I used many superlatives. I cited the many ways that our service had passed all previous marks or records. I felt that in 1959 we would see a continuing increase all along the line. I predicted that our circulation would reach between 155,000 and 165,000. As a matter of fact, our circulation did reach 164,558.

In every department — in every service — gains were made. Yet, with all of this happy forward motion, there were moments of unhappiness for some. In particular, I think of one little girl who left in tears because the Children's Room had none of the books that she had to have. I think of the many adults turning away because of gaps in our collection. I think of the high school students waiting for reference books because there weren't enough to go around.

Yes, in many respects, 1959 was a sad year. In the main, however, it was eminently successful.

The Staff

Within the Library, much of the credit for an excellent year should go to my staff — as fine and as unselfish a group as you will meet anywhere.

We were happy to welcome Mrs. Patricia McGandy, our new Reference-Circulation Librarian. Her presence has been felt by the many who have had reference problems — whether adult or juvenile. It is with regret that we know that she will be leaving us this summer, when her husband finishes his work for his PhD. in chemistry at B.U. Miss Solglad Burtch, our cataloger, has put in another outstanding year. How one person can do so much work so well is a continual source of pleasant amazement to those of us who are familiar with the workings of the Library.

In the Adult Department, Mrs. Sara "Sally" Macdonald, and Mrs. Mary Ward kept with the ever-growing pace of things at the Library with smiles and words that made everyone that entered our doors feel welcome. In the Children's Room, though the days were busier, things were never more cheerful. How fortunate is the town of Stoneham to have a children's Librarian like Miss Margaret "Peg" Golding. From anyone's point of view — child, adult, or librarian, just going into the Children's Room is enough to make anyone want to read. And thanks to Miss Golding, the desire is heightened by her pleasant smile and the

way in which she makes each child feel that he or she is quite important to Miss Golding, which is true. One interesting indication of her success is that we have a young man, age five, who already wants to become a Librarian. Assisting Miss Golding were Mrs. Eloise Forrest and Miss Patricia Ward. Each of them aids Miss Golding in the important work of encouraging children to read.

In the Adult Department, Mrs. Doris Pratt, Mrs. Margaret Donahoe, Mrs. Theresa Lewis, Miss Susan Wyman, Miss Susan Hurley, and Miss Elaine Hayward all assisted in keeping the wheels of progress going.

Librarian's Activities

This has been no quiet year for the Librarian, by any means. In my continuing attempt to get the Library out into the community, I have sought out several ways of reaching the Townspeople.

One of my talks was given to the Council of the Emerson School. Another, with Miss Golding and Mrs. McGandy, was given at the Colonial Park School. I was also present at the reception for new teachers at the High School. I have done book reviews for the Literature Group of the Women's Club.

I have attended several professional meetings in Library circles. The New England Library Association, the Massachusetts Library Association, and the American Library Association are the organizations whose conventions and meetings I attended. I have also become a member of the Metropolitan Boston Library Planning Commission.

I continued as membership chairman and as a member of the Scholarship Committee of the Friends and became publicity chairman for this group. Also I remained a member of Doctor Scarpitto's "Reading for Pleasure" Committee.

Statistics

In 1959, I have been unable to believe that what was happening was real. In each department, in each service, there has been at least a strong gain and, in most cases, the gain has been tremendous.

I can best show the growth over a seven year period.

Total Circulation — All Departments

1953	1954	1955	1956	1957	1958	1959
82,873	94,624	96,676	109,772	120,083	143,251	164,558

The 1959 figure, you will note, is almost a one hundred per cent gain since 1953.

Total Circulation — Adult Department

1953	1954	1955	1956	1957	1958	1959
42,695	48,145	53,231	60,205	65,746	68,944	73,037

Roughly, the gain since 1953 is nearly seventy per cent.

Total Circulation — Children's Room

1953	1954	1955	1956	1957	1958	1959
40,178	46,479	43,445	49,605	54,337	74,307	91,552

Here, with our most spectacular gain, we see an increase of almost one hundred and twenty per cent since 1953.

Total Circulation — Record Department

1953	1954	1955	1956	1957	1958	1959
311	597	967	1,413	3,016	3,879	4,420

This indicates how popular music is when it can be obtained at the Public Library.

What does all of this mean for the future? Well, one thing is sure, circulation will not go down. It's been on this upward spiral for some time now, and it shows no signs of dropping off. I would like to make one point clear. Most of this giant increase has been achieved with a fairly small amount of public relations. If we were really to get out and sell the Library, there is no telling where our totals would go.

From April 12, 1959 to December 31, 1959, we registered 2,497 in the Adult Department, and in the Children's Room we now have 3,150 holding library cards. This makes for a total of 5,647 people who have library cards, and that figure is better than one-third of the population of the Town of Stoneham.

Children's Activities

In the Children's Room, there was little time for anything but circulation of books. Miss Golding has been unable to reinstate her story hours because there has been no time for such a luxury.

In 1958, a survey was made of the Children's Department by Miss Alice Howard, Consultant on Work with Children and Young Adults from the Division of Library Extension, an agency of the Massachusetts Department of Education. Her recommendations have been followed to a great extent. The renovation and relocation of the desk in the Children's Room was due to her recommendations. And, the fixing of the desk has meant a lessening of confusion and better operation of the Children's Room in general.

Other Library Activities

You have undoubtedly seen and heard many new things at the Library, in the past twelve months. One of the smaller items, but one we like to think of as making the Library a

friendlier place is the way that we answer the phone, "This is your Library." We know that people know that they are calling the Public Library, and this way, we think, it makes the public feel closer and more immediate to the Library.

The installation of a Gaylord Charging Machine in the Adult Department has brought a big change in the work in that department. Things move a good deal more smoothly and efficiently.

Another new feature is the allowing of seventh and eighth grade students to use the Adult non-fiction collection for their research work for schools. We have had several requests for this service and have found that both children and parents enjoy the privilege of being able to use this hitherto inaccessible part of the Library.

Another new service is the lending of reproductions of famous pictures to be hung in the home. In 1958, we purchased fifty reproductions and the materials to frame them. Thanks to Mr. S. N. Hedman and some other Friends of the Library, all of the pictures were framed, and the service began on August first. From that date to December thirty-first, 98 pictures were circulated.

We have expanded our book request service to include special forms for that purpose. One word on this matter: there has been some question as to how we determine what books we shall buy under this service. Our belief is that we shall purchase any book that we feel will either be of interest to a large group of people or will be of good service in our reference collections.

Many, many organizations used Library Hall during 1959. They were the Stoneham Girl Scouts, the Community Concert Association, the Stoneham Woman's Club, the Stoneham Visiting Nurse Association, the Stoneham Ski Club, the Stoneham Garden Club, the Stoneham Red Cross, the League of Women Voters, the Stoneham United Fund, the Stoneham Chamber of Commerce, Explorer Post 5, Boy Scouts of America, the Friends of the Library, and the groups that the Friends sponsor such as the Great Books Discussion Groups, the Stoneham Choral Society, the art exhibits, and the other Friends activities.

Friends of the Library

1959 was another busy year for the Friends. Their activities were as varied as the people that belonged to the organization.

Art Activities

The Friends held two art exhibits and a photography ex-

hibit in 1959. The photography exhibit was held in February and brought out photographers of all abilities. There were four divisions and awards in each. There were: 1. Color 35 mm slides, 2. Black and white, 3. Color enlargements, 4. Stereo slides.

In April, the Friends held the second annual amateur art exhibit, during National Library Week. Again, as in 1958, over forty artists exhibited works of various schools of painting from the traditional to the very modern, in oils, pastels, watercolors, and other media. Again, as in 1958, the show proved a great success. People of the Town were showing others how much talent was quietly at work.

The third exhibit of the Friends was held late in the year. This final show was a loan exhibit of works of professional painters, that were owned by Stoneham people and members of the Friends. Highlights of the show were four paintings by two of America's foremost artists. Two of these were by the late Newell Convers Wyeth, one of America's leading illustrators, and two were by his son, Andrew Wyeth, who is thought by many to be America's greatest living painter. This show also brought a great many into the Library to view not only these four works but works by many other familiar artists.

Musical Activities

The Stoneham Choral Society presented its concert at Town Hall in the Spring of 1959. This concert, and the proceeds from ticket sales, established the Friends scholarship, which is presented to a deserving Stoneham student entering a school of art, music, or librarianship. As an added attraction to the concert, a small art exhibit was held in the foyer of Town Hall, with works of four Stoneham artists being shown, an exhibition of square dancing was held on stage, and general square dancing was held in the lower hall after the concert.

Great Books

1959 saw two Great Books Discussion Groups in action. One, the second year group, went on into its third season, and the other went from its first to its second year.

Chess

The Friends sponsored a chess group from the Fall of 1958 to the Spring of 1959. And thanks to the popularity of the chess group, many other chess groups in this area had a re-birth of feeling for chess and put the Friends' group out of business. But the Friends, undismayed, wished the others well and planned for a new development.

Square Dancing

The new development was the enlarged Friendly Squares. Their work proved so popular that a second, beginners group had to be formed to take care of the great many people who wanted to square dance. Thus, the Friends have two groups going, the second year, or intermediate group, and the beginners. And, from what I have heard, neither beginner or intermediate group has been shortchanged on fun.

One further word about the Friends. We at the Library owe them a debt of thanks for their work in framing the pictures so that our new service might be given a start. I know how much work went into the framing of the pictures, and I know that Mr. S. N. Hedman deserves much credit for his fine work and good will.

A Look to the Future

In the past year, we have had our biggest year. About that there is no question. But we cannot look to the past as our greatest achievement. We must look forward to the future and try to determine what the future holds and what we will need to be ready for the future as it daily comes our way.

The first problem that arises is the need for some mechanical devices not only to expand our services but to make the present ones cheaper and easier to maintain. We need, and NOW, such items as a new catalog case for the adult department, a typewriter, duplicating machine, adding machine, and some other office equipment that is no luxury but a necessity. We have had to go outside of the Library for things to be done, always on someone else's machines. This is hardly business-like and is certainly a good deal costlier. I hope that these items will be taken care of in 1960.

A second problem is the micro-filming of the Stoneham papers. This may be postponed until 1961, in the interests of economy. Each year, our file of papers, which date back into the 1800's, becomes more brittle and less and less usable. We are taking an awful chance, for if one paper is lost, we shall never be able to replace it. I definitely recommend that the micro-filming of the papers be started in 1961.

Of all the problems that beset us, the greatest of these is space. Let me review the problem for you. The original building went up in 1903, as a gift of Andrew Carnegie. The addition that went up in 1931 was due to the beneficence of Miss Annie Hamilton Brown, whose sizeable gift has done a great deal for the Library. In each case, the building that was put up was good for roughly twenty-five years and showed excellent plan-

ning on the part of the builders of those days. But it goes without saying that things change, and neither the Stoneham of 1903 nor the Stoneham of 1931 is the Stoneham of 1960. Below, I indicate what I mean:

Stoneham Population Since 1930

1930	1935	1940	1945	1950	1955	1960
10,060	10,841	10,765	12,158	13,287	15,817	16,250 appr'x.

In 1900, the population of Stoneham was 6,197. In other words, the population of the Town has nearly tripled in sixty years. Its greatest growth was between the years 1945 and 1960. In 1945, the Town had nearly doubled its size. Today, the Town is well on its way to becoming three times the size that it was in 1900.

Estimates for the future indicate some disparity in number, but all agree that the possible limit of growth will be between 22,000 and 25,000 people. This will make the Town close to four times its 1900 size.

The Library kept pace. With the original building in 1900, the Town had a large enough space for the then present demand on the Library. In 1931, when the Town was about two-thirds larger than it had been thirty years before, the addition went up and provided enough space for the needs of that time. But, with the continuing influx of new people into Stoneham, from the plants located on the circumferential highway, this growth seems to have no end. One more item is pertinent. Many of these people moving into Stoneham have come from cities and towns all over the nation. Many are used to a very extensive library program, and they are making more and more demands on the Library.

These matters, plus the huge growth in the circulation in the past few years, are bringing to the fore the need for additional space in the not too distant future. The foresight of the people who have gone before has been excellent. All authorities recommend that when building one should plan twenty-five years ahead. This was done. But no one had any idea of what might be the future. All cities and towns have had to face the population explosion.

Now the question arises, "Where do we need more space?" The Children's Room is the critical area. We have had children sitting on the floor; we have had them waiting to get into the building. In the High School room, we have had to make students wait outside until seats for them became available.

We need more stack space. We need a proper cataloging and book processing room. We need small meeting rooms, so

that a group of fifteen or twenty won't have to use the Library Hall. We would naturally keep the same style of architecture, with the addition being one floor with meeting and work rooms in the basement.

Our end result is that no future building for the Town of Stoneham would be necessary. A branch would do more to hinder the idea of good library service than to aid it. A branch would have to have a new heating plant and parking space in a growing section of town. It would cost more and be of less efficacy than an addition to the present facilities. A bookmobile is a luxury for a town this size, where more and more people have cars and are able to get to the Library easily.

These are the needs. I place them before you and the people of Stoneham for your consideration and action.

Thanks

Again, as in previous years, I cannot begin to thank the many people who, in so many ways, have helped this to be a most successful year. I can only list a brief few whose works have stood out just a little more than the others.

My thanks go to the many interested persons who have donated gifts of books, periodicals, and records to the Library in the past year. Each gift has been of great value, thanks to the thought of the givers.

Next, my thanks to the Garden Club for their tireless work in decorating our Adult Room each month. Flowers always help to brighten a room, but when displayed in such good taste as the Garden Club members have shown, their brilliance increases many times.

To the Girl Scouts I offer my thanks for their good will in helping us out on many occasions, in divers ways. They have certainly been indispensable.

My thanks to my staff for their unflagging loyalty and devotion; even when things have seemed hard to bear, they have kept their good will and sense of humor.

My thanks to the Trustees for their encouragement and understanding in a long and arduous year.

Finally, my thanks to the people of Stoneham for their cooperation and use of the Library and our services.

REPORT OF THE TRUSTEES OF THE STONEHAM PUBLIC LIBRARY

The 101st annual report of the Trustees of the Stoneham Public Library is herewith presented as a report of progress and service to the Townspeople of Stoneham.

At the April meeting of the Trustees, held Monday, April 7, 1959, Mrs. Pearl Mayman was unanimously elected Chairman of the Board, and Mrs. Kathryn English was elected Secretary.

The following sub-committees were appointed for 1959:

Building and grounds: Fred A. Lawson, John N. Kelly;

Music Committee: Mrs. Kathryn English;

Book Committee: Mrs. Nance Barnstead, John Farquharson.

In January, it was with great regret that the resignation of Mr. Fred A. Lawson as Chairman of Trustees was accepted, due to business commitments. Mr. Lawson filled this position ably and has been on the board for 16 years, and the library has flourished and improved under his leadership. His knowledge of the history of the library is second to none and the Trustees are pleased that he will still serve on the board.

Plans for the celebration of the Centennial of the Library were completed, and the following is the report of the week's activities which coincided with National Library Week, 1959:

"Our National Library Week activities were again a varied presentation of your Library's facets. The Friends of the Library opened the week with their second amateur exhibit of works by Stonehamites and members. The exhibit was brightened by a tea served by the lady members of the Board of Trustees and wives of the gentlemen members. The exhibit was open to the public during the week.

On Monday evening, the Chess club met. Tuesday evening, the Stoneham Choral Society held its weekly rehearsal. Wednesday evening, two art critics, Mr. Thomas O'Hara and Mrs. John Ottiani, attended the art exhibit and gave constructive criticism to the artists about their works. Thursday evening, Mr. Daniel Koury, Music Department of the Boston Public Library, presented a "Pops" concert. Friday, April 17th, was Children's Day and was a tribute to Miss Margaret Golding, Children's Librarian. The room was thronged with children, parents, teachers, members of the School administration, and the Trustees who paid their respects and appreciation for the devoted and excellent work in her 25 years of service to the young people of Stoneham. On Saturday evening, Mr. Andrew Hepburn, author of "Letter of Marque" gave a talk on his writing methods. Fred A. Lawson, member of the Board, presented a comprehensive and entertaining history of the Public Library. This evening closed the celebration of Centennial and Library Week, 1959."

In May plans were made to relocate and enlarge the desk in the Children's Room to facilitate the handling of the overwhelming increase in circulation of this department. This work was completed in September.

The Trustees efforts to hire an Assistant Librarian or Circulation and Reference Librarian have been unsuccessful because of the salaries available for these positions, and a review of the Salary Schedule was voted. In September, the Board appointed Mrs. Patricia McGandy as Circulation and Reference Librarian with the understanding that she could only give us her services until June of 1960. Mrs. McGandy, a Smith College graduate with graduate work done at the Catholic University of America, has been an excellent addition to our staff and we shall regret her terminating her services.

During the year, many of the meetings of the Board were devoted to two major problems. The first was bringing up to date many of the policies and practices of the Library that were in need of modernizing. Some of the practices were concerned with borrowing, while others were concerned with the type of materials to be borrowed. The second problem dealt with the salary scale now paid to the employees. Throughout the nation, the professional aspect of the Librarian is now being realized, along with the vital need of a good library. The Trustees have been cognizant of the fact that we must cope with the increased circulation and use of the library, the growth of our services, and call your attention to the statistical report of the Librarian which indicates a phenomenal growth in the past five years of every library facility. The "Reading for Pleasure" program still flourishes, and more research work of students and adults has been taxing to capacity our book and reference collection. More books, personnel and space must be planned for in order to give and maintain good library service to the townspeople. The Board of Trustees have discussed this at great length throughout the year, for plans must be made for the years to come. Meetings have been held with the Personnel Board and the Finance and Advisory Board to acquaint them with our problems and more will be held. This report, we hope, will acquaint you, the people of Stoneham, with some of the efforts being made to maintain good library service to all.

In October, 1959, the Board received the resignation of Mrs. Nance B. Barnstead, leaving for business reasons, who served so faithfully and well for ten years, and it was with regret that the resignation was accepted. To fill the vacancy, the name of

Mr. Myron Files, Jr. was presented in a joint meeting with the Board of Selectmen in November. Mr. Files' appointment for the un-expired term was confirmed, and he was officially welcomed by the Board of Trustees.

The Trustees wish to thank the estate of the late Earle Thibodeau, for the gift of his piano that was given to the Library in December of 1959. The memory of a fine teacher and humanitarian will long be remembered in the town of Stoneham, and this gift will bear a plaque stating its origin.

We are indebted to the Friends of the Library for their continued excellent work in making the Library a community center through their programs of art, music, and discussion groups; and thank them for their part in starting our new service of loaning reproductions of famous art masterpieces to library borrowers. This new service was conceived by Mr. Healey, our librarian, and through the gracious assistance of Mr. S. N. Hedman and other Friends, the pictures were allowed to circulate on the first of August, and their acceptance by the public has been gratifying. Our thanks are given to the Stoneham Garden Club for their continuing decorating of the niches in the Adult Room. We wish to thank Mr. and Mrs. Morris Waters for their generosity in loaning their personal piano for use in Library Hall until the Library was able to secure one.

It is with the cooperation and loyalty and devotion of our fine library staff members and our excellent Librarian, Mr. James Healey, that the Board of Trustees can say to the people of Stoneham the phrase coined by Mr. Healey, "THIS IS YOUR LIBRARY. USE IT."

Respectfully submitted.

REPORT OF TOWN ACCOUNTANT

February 24, 1960

Honorable Board of Selectmen
Town Hall
Stoneham, Massachusetts
Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1959 as set forth in the following schedules:

Balance Sheet showing the financial condition of the Town of Stoneham on December 31, 1959.

Receipts and expenditures summarized for the calendar year 1959.

Schedule of appropriations, other credits, transfers, expenditures and unexpended appropriation balances.

Analysis of Water Surplus, Sale of Lots and Graves Fund, Sale of Real Estate Fund, Reserve Fund transfers and Excess and Deficiency Account.

Schedule of Debt showing payments due each year, and including the borrowing capacity of the Town of Stoneham on January 1, 1960.

Balance Sheet of Deferred Revenue Accounts.

Analysis of Trust Fund Accounts, Stabilization Fund and Contributory Retirement System, including balance sheets as of December 31, 1959.

In conclusion may I take this opportunity to thank all department heads and officers for the assistance and cooperation rendered during the past year.

Respectfully submitted,
Winthrop A. McCarthy
Town Accountant

Winthrop A. McCarthy
Town Clerk of Stoneham

WARRANT FOR ANNUAL TOWN MEETING MONDAY, MARCH 7, 1960

To either of the Constables of the Town of Stoneham, County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

Monday, March 7, 1960

at six o'clock in the forenoon to act on the following articles of this warrant:

ARTICLE 1. To choose the following officers:

One (1) Moderator for one (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

One (1) Member of the Board of Public Welfare for three (3) years

Two (2) Members of the School Committee for three (3) years

One (1) Member of the School Committee for two (2) years

One (1) Member of the Trustees of the Public Library for one (1) year

Two (2) Members of the Trustees of the Public Library for three (3) years

One (1) Member of the Board of Health for three (3) years

One (1) Member of the Planning Board for five (5) years

One (1) Member of the Board of Public Works for three (3) years

Three (3) Constables for one (1) year

One (1) Member of the Stoneham Housing Authority for five (5) years

One (1) Member of the Stoneham Redevelopment Authority for five (5) years

And the following question:

Question 1. "Shall the Town pay one-half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical and medical insurance?"

All on one (1) ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening on Monday, March 14, 1960, in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary town officers for the year ensuing in such manner as the Town may determine.

ARTICLE 3. To hear reports of the Town officers and committees, and to act thereon and to choose committees.

ARTICLE 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year.

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

ARTICLE 6. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$150,000.00 for the reduction of the 1960 tax rate.

Board of Selectmen

ARTICLE 7. To see if the Town will vote to raise and appropriate a sum of money to pay unpaid bills incurred in previous years for the following specified purposes.

Town Accountant

ARTICLE 8. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Joan Avenue Construction (1959)	\$137.64
Webster Court Construction (1959)	1.19
Tar Sidewalk Reconstruction (1959)	73.09
Street Construction (Chapter 718-1959)	3.52
Chapter 90 Maintenance (1959)	51.29
Rubbish Truck Body (1959)	500.00
Pick-up Truck and Passenger Car (1959)	263.10
Sewer Kit and Sand Spreader Body (1959)	587.50
School Department Truck	5.33
Police Department Station Wagon	287.00
Fire Station Doors	381.50
Infirmery Painting	32.60
Town Clerk's Office Counter	4.20
Treasurer's Billing Machine	9.30
Town Hall Auditorium Drapes	50.00

Town Accountant

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money to be placed in the Stabilization Fund, said fund created and authorized by the vote passed under Article 84 of the warrant for the annual Town Meeting of 1953, in accordance with provisions of Section 5B, Chapter 40 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Finance and Advisory Board

ARTICLE 10. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1960, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 11. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1961, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 12. To see if the Town will vote to accept provisions of Chapter 493, Acts of 1959, an act entitled "An Act Increasing the amounts of Pensions and Retirement Allowances payable to certain former public employees", raise and appropriate money therefor, or do anything in relation thereto.

Board of Selectmen

ARTICLE 13. To see if the Town will vote to accept provisions of Chapter 617, Acts of 1959, an act entitled "An Act Providing Survivor Benefits to Certain Eligible Widows and Children Under the Contributory Retirement Law", raise and appropriate money therefor, or do anything in relation thereto.

Board of Selectmen

ARTICLE 14. To see if the Town will vote to authorize the Board of Health to make appointments from its own mem-

bership to the positions of Health Office and Milk Inspector, raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall, Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American Veterans; World War I Veterans, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 16. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary Classification Plan", by striking out in its entirety Section 10 and inserting in its place the following: "Section 10 Physical Examination. Every person hereinafter employed by the town subject to this plan shall undergo a physical examination. The examining physician shall be appointed by the Board of Selectmen and shall render to the Personnel Board a sealed report of the physical condition of the applicant stating whether or not he is qualified for the position sought. No applicant shall be employed until approved by the Personnel Board, who shall have discretion to accept or reject any applicant, decision to be based on the doctor's recommendation. After receipt of the report has been entered on the Personnel Board's records such report shall be deposited with the Personnel Board for safekeeping, the contents subject to future review only by the Personnel Board or a physician designated by the Selectmen, otherwise the report shall remain confidential."

Personnel Board

ARTICLE 17. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, the following described area: Beginning at the point of intersection of Route 93 and the Stoneham-Winchester boundary line, on the westerly side of the said Route 93 on land now or formerly of Nora Theresa Mosley, thence the line runs in a southeasterly and southerly direction along the westerly boundary of the said Route 93 to land of the Metropolitan District Commission,

thence the line turns and runs southerly, southwesterly and westerly along land of the Metropolitan District Commission to the Stoneham-Winchester boundary line, thence the line turns and runs in a general northerly direction along the said Stoneham-Winchester boundary line to the point of beginning.

Planning Board

ARTICLE 18. To see if the Town will vote to amend the Zoning By-law by adding a new subsection to Article 1, Section 3, known as subsection 3, which shall read as follows:

"Article 1, Section 3 (Residence "B" Districts) Subsection 3. Professional building to include the office or studio of a physician, dentist, lawyer, architect, or artist, provided there is no display visible from the street, and no advertising except a professional name plate not exceeding nine inches in width and twenty-four inches in length."

Planning Board

ARTICLE 19. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area: Beginning at a point on the easterly side of Main Street 185 feet distant from the said Main Street at the boundary of land now or formerly of Tedd J. Syak and Charles L. and Lillian M. Simmons, thence continuing in an easterly direction to Central Street, thence turning and running in a general northerly direction along the said Central Street to land now or formerly of Charles and Frances V. Ezekian, thence turning and running westerly along land now or formerly of Charles and Frances V. Ezekian and John and Isabel Avedis to a point 185 feet easterly from Main Street, thence turning and running southerly along a line parallel to and 185 feet distant from Main Street to the point of beginning.

Tedd J. Syak

ARTICLE 20. To see if the Town will vote to amend the Zoning By-law adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: a certain parcel of land being situated in Stoneham, Middlesex County, Massachusetts, on the easterly side of Main Street, and being shown as Lot 6 on a plan of land entitled "Plan of Colonial Court, Stoneham, Mass., owner William F. D'Annunzio, Dana F. Perkins and Sons, Inc. Civil Engineers and Surveyors.

April 4, 1959", duly recorded in Middlesex South District Registry of Deeds in Book 9448 at Page 491 and being further bounded and described as follows: Westerly by Main Street 50 feet; Northwesternly by a curved line forming the junction of Main Street and Colonial Court, 39.27 feet; Northerly by Colonial Court 135 feet; Northeastly, easterly and southeasterly by a curved line by Colonial Court 157.08 feet; southerly by Colonial Court 135 feet; and southwestly by the junction of Colonial Court and Main Street 39.27 feet, containing 17,159 square feet of land, more or less, according to said plan.

William F. D'Annolfo

ARTICLE 21. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area;

Beginning at a point on the westerly side of Main Street 100 feet westerly from Main Street on the boundary of Lots 3 and 10 belonging now or formerly to Leonard and Dorothy Gianquitto, thence the line runs westerly and northwesterly along land now or formerly of the said Leonard and Dorothy Gianquitto and land now or formerly of Raymond and Agnes E. Stanley to a point at land now or formerly of Walter W. and Olive T. Webber, thence the line turns and runs northerly along land of the said Webber to Elm Street, thence the line turns and runs easterly along Elm Street to a point 100 feet westerly from Main Street, thence the line turns and runs southerly along a line 100 feet westerly and parallel to Main Street to the point of beginning.

Arthur M. Trodella

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to purchase new portable voting booths for use at elections, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the Town Clerk to make said purchase, or do anything in relation thereto.

Town Clerk

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one (1) new combination pump and service truck for use of the Fire Department, authorize the disposal of one (1) 1945 Dodge brush fire truck and one (1) 1931 Seagrave pump, determine in what manner the said appropriation shall be raised, from taxation, by

transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Fire Chief

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for use of the Police Department, authorize the disposal of one (1) 1957 Ford Automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Acting Captain of Police

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money to provide a new base station and antenna for the two-way radio communication unit at the Police Station, together with refurbishing the mast and other necessary work incidental thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Acting Captain of Police

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to erect and equip a field house, so-called, with facilities for the public, at Recreation Park, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, authorize the acceptance of any gift from any organization, or do anything in relation thereto.

Recreation Commission

ARTICLE 27. To see if the Town will sell to the Jewish Community Center, Inc., and the Temple Judea for use as a cemetery for its membership, a portion of land owned by the Town of Stoneham and now part of Lindenwood Cemetery, bounded as follows: Beginning at a point on Butler Avenue 50 feet from land of Domenic and Anna M. Cimina, thence the line runs southwesterly along land of the Town of Stoneham and land now or formerly of Theodore P. and Natalie M. Alves, 200 feet to the easterly side of Richardson Avenue, thence northwesterly by the end of Richardson Avenue, 40 feet to a point; thence northwesterly by land of the Town of Stoneham 558.54 feet to a point, thence northeasterly by land now or formerly of Edna C. Lord 179.92 feet to a point, thence southeasterly by lots 19, 18, 17, 16, 15, and 14, 458.01 feet to a point; thence northeasterly by Lot 14, 43.69 feet to Butler Avenue; thence on a curved line by Butler Avenue, 90.30 feet to a point of curve;

thence southeasterly by Butler Avenue, 47.95 feet to the point of beginning; this area containing 2.91 acres more or less; this area shall be subject to a 45 foot right of way, beginning at the south end of the proposed property and running from Butler Avenue to land of Town of Stoneham, Lindenwood Cemetery, a distance of 240 feet, more or less, more fully described on plan by Warren W. Mirick dated January 21, 1959.

Stoneham Jewish Community Center Inc.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise or do anything in relation thereto.

Board of Public Works

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying Sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 32. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a

sum of money for Chapter 90 highway construction or take any action in relation thereto.

Board of Public Works

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of constructing a storm drain from the existing manhole near Gilmore Street 280 feet, more or less, to the existing manhole south of Hersam Street, which will replace the existing stone box culvert, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for the construction and equipping of an office building at the Pine Street yard for use of the Public Works Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing a sanitary sewer in and through Pond Street from Gorham Avenue northerly 1350 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money for the construction of new bituminous concrete sidewalks in certain areas throughout the Town, said new sidewalk construction to be made under the laws relating to the assessment of betterments, that the Selectmen be

authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money for the purpose of erecting a chain link fence at the Robin Hood Playground, along sections of Oak Street and Magnolia Terrace, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase a certain parcel of land for a Town dump, owned by now or formerly Joseph and Marie C. Mustone on Spring Lane, containing $7\frac{1}{4}$ acres, more or less, being bounded and described as follows: Easterly by Spring Lane 216.5 feet, southerly 410.5 feet, southeasterly 98 feet, southerly 431 feet, westerly 110 feet, southerly 259 feet, southwesterly 279 feet, northeasterly 297 feet, northerly 595 feet, easterly 153 feet and northerly 246 feet to the point of beginning, said land being shown on Plan of land surveyed for E. W. Pierce by C. R. Herrick, C.E., dated November 1912, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) grass mower of approximately seven-foot cut and one (1) one-ton dump truck, authorize the disposal of one (1) 1955 Toro mower, and one (1) 1948 one and one-half ton Chevrolet truck, now in service, authorize the appointment

of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase, for use of the Public Works Department, one (1) rubbertired loader, with backhoe attachment, authorize the disposal of the Minneapolis-Moline Tractor, with Henry backhoe attachment now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to purchase, for use of the Public Works Department, one (1) one-half ton, four wheel drive, pick-up truck, authorize the disposal of one (1) 1951 one-half ton Ford pick-up truck now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, materials and for other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of the drainage brook off Avalon Road, from the end of the existing pipe on the northerly side of property now or formerly of Edward F. Geary on Avalon Rd. a distance of 300 feet, more or less, northerly on land of the Town of Stoneham, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Edward F. Geary

ARTICLE 46. To see if the Town will vote to raise and appropriate a sum of money to pipe the drainage brook on the northerly side of Elm Street from MacArthur Rd. Westerly to Washington Street, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Reynold E. Davidson and 11 Others

ARTICLE 47. To see if the Town will vote to accept as public town ways the following ways as laid out by the Planning Board:

1. Drummond Rd. from Arlene Ave. to Paula Avenue
2. Paula Avenue from Erickson St. to Drummond Road
3. Janice Lane from Erickson Street to Hanford Road
4. Arlene Avenue from Erickson St. to Evergreen Road
5. Margaret Rd. from Rose Lane to Wagner Road

Residents of Above Streets

ARTICLE 48. To see if the Town will vote to accept as public Town ways the following ways as laid out by the Planning Board:

1. Weld Rd. from Oak St. to Bonad Road
2. Atwood Ave. from Park St. to West Hancock St.

Residents of Above Streets

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money to pave any or all of the public ways accepted under the foregoing Article 48 of this warrant, under the laws relating to the assessment of betterments, that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Residents of the Streets

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money to update and revise the By-laws, zoning by-laws, Board of Health Regulations, Plumbing Regulations, Building Regulations, Public Park Regulations and the Traffic Rules and Orders, authorize the appointment of a committee for this purpose, determine in what manner the said ap-

appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Stoneham Chamber of Commerce

ARTICLE 51. To see if the Town will vote to authorize the Moderator to appoint a committee to study the advisability of compiling and preparing a history of the Town of Stoneham and that the said committee make a report at the next annual Town Meeting.

Finance and Advisory Board

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for repairing and remodeling the Junior High School gymnasium, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, or otherwise do anything in relation thereto.

School Committee

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this sixteenth day of February in the year one thousand nine hundred and sixty, A.D.

Finance & Advisory Board

ARTICLE 4. To see if the Town will vote to accept as a public Town way Crosby Street, so-called, as laid out by the Planning Board.

Residents of Crosby Street

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum of money to determine the possible location and preliminary designs of a sewer pumping station force main and trunk lines that will be necessary to provide sewer facilities for a portion of the northwesterly section of the Town, determine in what manner the said appropriation shall be raised, from taxation from available funds, or do anything in relation thereto.

Board of Public Works

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-third day of February in the year one thousand nine hundred and sixty A.D.

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
DANIEL L. HURLEY

Selectmen of Stoneham

A true copy attest

UGO M. ROLLI

Constable of Stoneham
